THIS TOWN REPORT IS DEDICATED WITH GRATITUDE TO DAVID LOMASNEY

As Mr. Lomasney retires from active service to the Town, it is fitting that we recognize his forty-five years of dedication to the community as both a volunteer and elected official. He served the town as a volunteer fire fighter in the years before our permanent department was established, selflessly giving of his time while raising his family and running his own business. He volunteered as a laborer while the town's pool was being built, so that the children of our community could have safe and fun-filled summers. Appointed to the Sewer Committee, he acted in an advisory role as the town researched the concept of installing a sewer system and tying into North Attleboro's treatment plant.

As an elected official, Mr. Lomasney served with great integrity in many capacities. He was a Water Commissioner during the 1950's. He served ten years on the Finance Committee in the 1960's and 1970's, showing able leadership when the Police and Fire Station was built and the Town Hall renovated. He was Town Moderator from 1982 to 1984 and from 1991 to 1992, leading our Town Meetings with both dignity and humor. And finally, he served as an Assessor from 1977 to 1992, guiding the town through the years 1977 to 1992. Always a difficult job, he served the community with a wisdom and judiciousness that became all the more valuable after the passing of the tax limiting legislation of Proposition 2 1/2.

Mr. Lomasney is a sterling example of what our founding fathers expected of the citizens of this republic's participatory democracy. He has led not with words, but rather with deeds. For many citizens of Plainville, Mr. Lomasney has been a mentor, an educator, a guiding influence, and, most especially, a friend. He possesses the unique ability to force people to look at all sides of an issue, to ask those challenging questions that some people may choose to ignore, and to lead people to develop conclusions of their own. The spirit of the Town is indelibly marked with the wisdom and generosity of David Lomasney, and it is a gift for which the community shall be forever indebted.

A tribute.....

Our town has lost ten of its outstanding civic leaders during the past two years and it is the wish of the Board of Selectmen that these esteemed individuals and their record of service in public office be placed in the current annual report.

Plainville is a better place in which to live because of the interest, ability and effort that the following ten individuals expended in its behalf.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 1: To see if the Town will vote to amend Section 2.11 and create Section 3.13 of the Plainville zoning Bylaw by replacing the existing language with the following, or take any other action relative thereto.

Actual Language:

Section 2.11 (Reserved)

3.13 Site Plan Review

3.13.1 Purpose

The site plan review process and the issuance of a development permit are intended to assure the proper design and construction of the drainage facilities, parking areas, lighting, loading, waste removal, points of access and egress, signs, sediment and erosion control, pedestrian access, landscaping and screening of the abutting land owners.

3.13.2 Applicability

Uses which require a site plan review and issuance or denial of a development permit by the Planning Board are identified by footnotes 10 and II in Section 2.8, Use Regulations.

3.13.3 Administrative Procedures

The Planning Board as the permit authority shall adopt rules relative to the issuance of development permits and file a copy with the Town Clerk.

3.13.4 Information Requirements

The following shall be required by the applicant for site plan review:

- a. locus plan;
- b. location of structures within 100 feet of property lines;
- c. existing and proposed buildings, showing setbacks from property lines;
- d. building elevations;
- e. existing and proposed contour elevations in two-foot increments;
- f. parking areas, driveways, and facilities for pedestrian movement;
- g. drainage system (see Article 9 of Rules and Regulations);
- h. utilities and lighting;
- i. landscaping, including trees to be removed and retained;
- j. loading and unloading facilities;
- k. provisions for refuse removal;
- l. existing and projected traffic volumes from the site and effect on the local road network;
- m. drainage calculations and soil tests for the location of the building(s), parking areas and drainage facilities;
- n. other information as may be necessary to determine compliance with the provisions of this bylaw.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 1: 3.13.5 Review Procedure

The Planning Board shall examine the following concerns in reviewing the site plans of the proposed development:

- a. proper drainage of the property;
- b. safe access to the development, minimizing the number and width of curb cuts;
- c. acceptance design and layout of ways, streets and parking areas;
- d. that the projected traffic increases to the local road(s) is within the capacity of the existing network for both daily and peak hour per lighting design for parking areas and abutters;
- f. that proposed use(s) will not have a detrimental effect on the abutting neighborhoods or natural environment;
- g. complies with the Plainville Master and Open Space Plans.

3.13.6 Appeal

The Board of Appeals as established by Chapter 40A of the General Laws of the Commonwealth shall hear and decide appeals in regards to determinations of decisions made by the Planning Board in the enforcement or administration of this section.

Note: A (This change is to add procedural language to the existing site plan review.)

Note: B (This article was approved by the votes at the December 12, 1989 Special Town Meeting, but was rejected by the Attorney General due to procedural deficiencies.)

Date of Action: 10/01/90

Meeting Action: Amend Section 2.11 and create 3.13 as printed

Result of Vote: Motion Carried : In favor- 143 Opposed - 1

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 2: To see if the Town will vote to amend Section 2.1 (districts), and 4.1 (definitions) and create Section 3.14 of the Plainville Zoning Bylaw by replacing the existing language with the following, or take any other action relative thereto.

Actual Language

2.1 Districts - The Town of Plainville is hereby divided into the following types of districts:

RA - Single Family Residential District
RB - Single Family Residential District
RC - General Residential District
RD - General Residential District
CA - Shopping Center Commercial District
CB - General Commercial District
CC - Roadside Commercial District
IA - Special Industrial District
IB - Limited Industrial District
IC - Controlled Industrial District
WPD - Watershed Protection District
FPD - Flood Plain District

3.14 Floodplain Review

3.14.1 Purpose

The purposes of the Floodplain District are to:

- a. Ensure public safety through reducing the threats to life and personal injury;
- b. Eliminate new hazards to emergency response officials;
- c. Eliminate costs associated with the response and cleanup of flooding conditions;
- d. Reduce damage to public and private property resulting from flooding waters; and
- e. To protect, preserve, and maintain the water table and water recharge areas within the Town so as to preserve present and potential water supplies for the public health and safety.

3.14.2 Applicability

The floodplain district is an overlay district and shall be superimposed on the other districts established by this bylaw. The Floodplain District is defined as all lands designated and Zone A, AI, A2, A3 and B on the Town of Plainville Flood Insurance Rate Maps (FIRM), panels 1, 2 and 3, effective date 7/2/81 or as most recently reviewed or updated. The FIRM maps are incorporated herein by reference and are on file with the Town Clerk and Planning Board.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 2: 3.14.3 Use Regulations

Within the Floodplain District overlay developments must conform to the requirements of both zones or the most restrictive of the two.

No structure or land shall hereafter be constructed, located, extended, converted, or altered without full compliance with the terms listed below and other applicable regulations.

780 CMR 744.0 of the Massachusetts State Building Code which address floodplain.

310 CMR 10.00 Wetlands Protection, Department of Environmental Quality Engineering.

302 CMR 6.00 Inland Wetlands Restriction, DEQE.

315 CMR 15.00 Title 15, Title 5, minimum requirements for the subsurface disposal of sanitary sewage, Department of Environmental Quality Engineering. Any variances from the provisions and requirements of the above referenced state regulations may only be granted in accordance with the required variance procedures of these state regulations.

3.14.4 Administrative Procedure

The Planning Board as the permit authority shall adopt rules relative to the issuance of development permits and file a copy with the Town Clerk.

3.14.5 Information Requirements

Application for a Development Permit shall be made on forms furnished by the Planning Board, and may include, but not be limited to, plans drawn to scale showing the nature, location, dimensions, and elevations of the area in question; existing or proposed structures, fill, storage of materials, drainage and location. Specifically required:

- a. locus plan;
- b. existing and proposed buildings;
- c. elevation in relation to mean sea level, of the lowest floor (including basement or cellar) of all structures;
- d. elevation in relation to mean sea level to which any structure has been floodproofed;
- e. certification by a registered professional engineer or architect that the floodproofing methods for any nonresidential structure meet the floodproofing criteria in this article;
- f. description of the extent to which any water course will be altered or relocated as a result of proposed development; and
- g. plans for any walls to be used to enclose space below the base flood level.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 2: 3.14.6 Review Procedures

At a properly posted Planning Board meeting, the Board shall examine and review the permit application to ensure the following concerns have been addressed:

- a. Within the floodway no encroachments (including fill, new construction, substantial improvements to existing structures, or other development) shall be allowed unless it is as a result of compensating actions, will not result in any increase in flood levels within the Town during the occurrence of a 100-year flood in accordance with the Federal Emergency Management Agency's regulations for the National Flood Insurance Program.
- b. Any encroachment in the floodway meeting the above standard must also comply with the floodplain requirements of the State Building Code.
- c. The proposed use will not create increased flood hazards which shall be detrimental to the public health, safety and welfare.
- d. The proposed use will comply in all respects to the provisions of the underlying District or Districts within which the land is located.
- e. The proposed is in compliance with all applicable state and federal laws, including the Massachusetts Building Code and the Massachusetts Wetlands Protection Act (MGL, Chapter 131, Section 40).

3.14.7 Appeal

The Board of Appeals as established by Chapter 40A of the General Laws of the Commonwealth, shall hear and decide appeals in regards to determinations or decisions made by the Planning Board in the enforcement or administration of this section.

Note: A (This would add Zoning language concerning construction within the Floodplain as designated by the Federal Emergency Management Agency in regards to federal flood insurance.)

Note: B (This article was approved by the voters at the December 12, 1989 Special Town Meeting, but was rejected by the Attorney General due to procedural deficiencies.) Additional Definition to be Added to Section 4.1

"Area of Special Flood Hazard" is the land in the floodplain within a community subject to a one percent or greater chance of flooding in any given year. The area may be designated as Zone A, AO, AH, A1-30, AE, A99, VO or V1-30, VE or V.

"Base Flood" means that flood having a one percent chance of being equalled or exceeded in any given year.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 2: 3.14.7 Appeal (continued)

"Development" means any manmade change to improve or unimproved real estate, including but not limited to building or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations.

"Federal Emergency Management Agency (FEMA)" administers the National Flood Insurance Program. FEMA provides a nationwide flood hazard area mapping study program for communities as well as regulatory standards for development in the flood hazard areas.

"Flood Hazard Boundary Map (FHBM)" means an official map of a community issued by FEMA where the boundaries of the flood, mudslide (i.e. mudflow) related erosion areas having special hazards have been designated as Zones A, M, and/or E.

"Flood Insurance Study" means an examination, evaluation and determination of flood hazards and, if appropriate, corresponding water surface elevations, or an examination, evaluation and determination of mudslide (i.e. mudflow) and/or flood-related erosion hazards.

"Floodway" - see "Regulatory Floodway."

"Functionally Dependent Use" means a use which cannot perform its intended purpose unless it is located or carried out in close proximity to water. The term includes only docking facilities, port facilities that are necessary for the loading and unloading of cargo or passengers and ship building and ship repair facilities, but does not include long-term storage or related manufacturing facilities.

"Lowest Floor" means the lowest floor of the lowest enclosure (including basement or cellar). An unfinished or flood resistant enclosure, usable solely for parking of vehicles, building access or storage in an area other than a basement area is not considered a building's lowest floor.

"100-Year Flood" - see "Base Flood."

"Regulatory Floodway" means the channel of a river or other watercourse and the adjacent land areas that must be reserved in order to discharge the base flood without cumulatively increasing the water surface elevation.

"Special Hazard Area" means an area having special flood, mudslide (i.e., mudflow) and/or flood-related erosion hazards, and shown on an FHBM or FIRM as Zone A, AO, A1-30, AE, A99, AH and E.

"Structure" means, for floodplain management purposes, a walled and roofed building, including a gas or liquid storage tank, that is principally above ground, as well as a manufactured home.

Date of Action: 10/01/90

Meeting Action: Amend Section 2.1 (Districts) and Section 4.1 (Definitions) and create Section 3.14 and replace existing language with the Preceding amended inclusion of Zone B Floodplan and from the Article 3.14.2

Result of Vote: Motion Carried : In Favor - 145 Opposed - 0

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 3: To see if the Town will vote to amend Sections 1.3.1 and 1.3.2 of the Plainville Zoning Bylaw by replacing the existing sections with the following, or take any other action thereto.

Actual Language

1.3.1 Applications for a building permit(s) which are not subject to either Site Plan and/or Floodplain review developments permits(s) shall be accompanied by a plan showing the lot, lot area, the proposed location of the building on said lot, front, side and rear yard distances, the use proposed and such other pertinent information as required on the application form.

1.3.2. Development Permits which requires a Site Plan and of Floodplain review shall submit four(4) copies of the site plan and other required information to the Planning Board with written notice, a copy of the site plan and supporting information to the Town Clerk. The Planning Board shall review said application(s) by the criteria set forth in Section 3.13, Site Plan Review and 3.14, Floodplain Review and approve, with modifications or deny said development permit(s) with forty-five(45) days of submittal by written notification to the Town Clerk and applicant. Failure by the Board to notify the Town Clerk within forty-five(45) days of submittal shall be approved by default.

Note: A (This zoning amendment serves to inform applicants of building permits which requires either a site plan and/or flood plan review, of the procedures, time frame and the location of the related zoning text)

Note: B (This article was approved by the voters at the December 12, 1989 Special Town Meeting, but was rejected by the Attorney General due to procedural deficiencies.)

Date of Action: 10/01/90

Meeting Action: Replace Section 3.1 and 1.3.2 with Preceding and to correct "typo" in Warrant Section 1.3.2. from "with" to "within"

Result of Vote: Motion Carried : In Favor - 132 Opposed - 0

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 4: To see if the Town will vote to accept an Equal Education Opportunity Grant for Fiscal Year 1991 in the amount of \$18,662.00 or the sum designated by the Department of Education under provisions of General Laws, Chapter 70A, Section 5, as inserted by Chapter 188 of the acts of 1985. Said grant shall be expended by the School Committee for direct service expenditures with funds provided solely by the Commonwealth, or do or act in any manner relative thereto.

Date of Action: 10/01/90

Meeting Action: Accepted as printed

Result of Vote: Unanimous

Article 5: To see if the Town will vote to raise and appropriate a sum of money to meet the additional space requirements for students of the Plainville Public School System, specifically the purchase, lease, or lease/purchase of relocatable classroom building(s), originally equipping and furnishing of said building(s), and any necessary site work including but not limited to engineering, excavation, foundation pouring, plumbing, electrical, and carpentry; and to determine whether such appropriation should be by borrowing or otherwise, or take any other action relative thereto.

Date of Action: 10/01/90

Meeting Action: Two unsuccessful amendments. Original motion prevailed.

Result of Vote: Motion Carried

Article 6: To see if the Town will vote to raise and appropriate, or transfer from Local Wetland application filing fees, the sum of \$ 2,012.50 to the Wetland Protection Fund to be expended by the Conservation Commission to carry out its duties under the Wetlands Protection Act, or do or act in any manner relative thereto.

Date of Action: 10/01/90

Meeting Action: Accept as printed

Result of Vote: Motion Carried

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 7: To see if the Town will vote to accept the provisions Section 8J of Massachusetts General Laws, Chapter 40, or do or act in any manner relative thereto.

(Note: MGL Chapter 40, Section 8J authorizes the Town to establish a handicapped commission, of not more than seven (7) members appointed by the Board of Selectmen, for the purpose of coordinating or carrying out programs designed to meet the problems of the handicapped, in coordination with programs of the Office of Handicapped Affairs. Said commission shall research local problems of the handicapped, and shall coordinate the activities of other local groups organized for similar purposes, and may advertise, prepare, print and distribute books, maps, charts, plans and pamphlets necessary for its work. Said commission shall keep records of its meetings and actions, and shall file an annual report, which shall be printed in the City or Town Annual Report, and shall have at least six meetings annually.)

Date of Action: 10/01/90

Meeting Action: Accept as printed

Result of Vote: Motion Failed

Article 8: To see if the Town will vote to raise and appropriate, or transfer the sum of \$ 500.00 to fund the Handicapped Commission for PY91, or do or act in any manner relative thereto.

Date of Action: 10/01/90

Meeting Action: No Motion

Result of Vote: Lost for Lack of Motion

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 9: To see if the Town will vote to accept the agreement establishing Tri-County as amended and as is may be further amended to provide for the admission of the Town of Plainville and Wrentham, The amendment provides (a) that each town will have one member of the School Committee appointed by the Moderator, the Chairman of the Board of Selectmen and the Chairman of the School Committee of the town, acting jointly, for a three year term; (b) that for the first fiscal year of its membership the town will contribute as its entire share of the operating costs and capital costs of Tri-County for such year an amount equal to what it would pay if the students from the town enrolled in Tri-County were tuition students, and the town will also be responsible for all the transportation costs of those students. After its first year of membership the town will pay its share of operating costs and capital costs apportioned in accordance with Section IV of the Agreement; and, (c) that the effective date for the admission of the town will be July 1st following its acceptance of the amended Tri-County agreement and the acceptance by each of the existing member towns of the amendment admitting the town. Copies of the Tri-County agreement as amended, and of the proposed amendment as described in this Article, are available for inspection at the office of the Town Clerk, or do or act in any manner relative thereto.

Date of Action: 10/02/90

Meeting Action: To Accept as Printed

Result of Vote: Motion Carried : In Favor - 55 Opposed - 0

Article 10: To see if the Town will vote to authorize the Board of Selectmen to undertake the proper legal procedures in accordance with Chapter 82 of the Massachusetts General Laws to acquire, by eminent domain, the portion of Charles Street situated in Plainville, or do or act in any manner relative thereto.

Date of Action: 10/02/90

Meeting Action: To Table Indefinitely

Result of Vote: Motion Carried : In Favor - 67 Opposed - 0

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 14: To see if the Town will vote to amend the Personnel By-Law Section XV Group Health and Life Insurance to read as follows:

- 15.1 The Town, to the extent such is possible, will continue for the duration of this Agreement to provide employees with a group health insurance plan, including hospital, surgical and medical benefits, which are substantially equivalent to that which is being provided on the effective date of this Agreement. In this respect, it is understood that Blue Cross and Blue Shield, the present provider of such insurance, may not continue to provide insurance, and it may not be possible for the Town to obtain another insurance company to provide similar benefits. The Town shall pay fifty percent (50%) and the employee shall pay fifty percent (50%) of the cost of the premium for said group health insurance plan.
- 15.2 The Town shall make available to employees in accordance with the provisions of Section 16 of Chapter 32B of the Massachusetts General Laws the services of certain health maintenance organizations (HMO). The Town shall pay ninety percent (90%) and the employee will pay ten percent (10%) of the cost of the HMO premium.
- 15.3 The Town shall provide employees with group life insurance in the amount of Two Thousand Dollars and group accidental and dismemberment insurance in the amount of Two Thousand Dollars. The Town shall pay fifty percent (50%) and the employee shall pay fifty percent (50%) of the cost of the premium for such insurance.
- 15.4 Any claims or disputes concerning eligibility for or payment of benefits under said insurance and HMO plans shall be determined in accordance with the applicable insurance policies and contracts and shall not be subject to the grievance procedure provided for in this Agreement, or do or act in any manner relative thereto.

Date of Action: 10/02/90

Meeting Action: No Motion

Result of Vote: Lost for Lack of Motion

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 15: To see if the Town will vote to amend the Personnel By-Laws as follows:

Amend Section VI-Compensation Plan - 6.2 - Determination of Compensation, to read as follows:

The compensation of each employee of the Town, except elected Officials and employees under the direction and control of the School Committee, shall be determined in accordance with and shall conform to, the wage schedules and rate of compensation and the effective dates thereof established for the different positions set forth in this SECTION and said APPENDIX A. The Board shall determine in accordance with the provisions of this SECTION and said wage schedules and rates of compensation the rate of compensation of each such employee.

Amend Section VI-Compensation Plan - 6.10 - Shift Differential, to read as follows:

Each full-time dispatcher (D-I) assigned to work on a regularly scheduled basis on any tour of duty which begins at or after four (4:00) P.M. and ends at or before eight (8:00) A.M. on the following day, shall be paid a wage differential of seven (7%) percent of his regular hourly wage for each hour he is in a pay status on any such tour of duty. An employee shall be considered to be in a pay status for all hours he actually works, hours for which he does not work but receives Holiday pay, and hours he is absent from duty on paid sick or vacation leave. The overtime rate of pay of any such employee shall not include said wage differential. An employee who is reassigned on a temporary basis from any such tour of duty to a tour of duty which does not fall within said hours shall continue to be paid the wage differential during such temporary assignment. Amend Section IX -

Overtime - 9.1 to read as follows:

Each full-time employee, except Executive Level personnel, and except as is otherwise provided herein, who is required to be on duty in an administrative workweek in excess of his regular workday of eight (8) hours or in excess of his regular workweek of either thirty-two (32) or forty (40) hours, established in accordance with the provisions of Section VIII above, of this Personnel By-Law, shall be paid for such overtime duty at the rate of one and one half (1 1/2) times his hourly rate of compensation by fifty-two (52) and then by forty (40). Such hourly rate shall be referred to hereinafter as the employee's overtime rate. Hours worked for the purpose of computing overtime shall include all hours the employee is in a pay status.

Add Section VI - Compensation Plan - 6.11 - Emergency Medical Technician, as follows:

Each full-time dispatcher (D-I) who receives certification of successful completion in a course and is thereby a certified Emergency Medical Technician in accordance with the provisions of Chapter IIIC, Section 6 of the General Laws, shall, during the period he remains currently certified as such, be paid, in addition to all other compensation due him hereunder, the sum of ten (\$10.00) dollars per week as an addition to his base rate of weekly compensation. The overtime rate of pay of any such employee shall not include said wage differential.

1990 Special Town Meeting
Town Clerk Summary
October 1, 1990

Article 15: Amend Personnel By-Laws (continued)

Add 6.12 - Supervisory Pay - as follows:

Highway Department Foreman (PW-I) to receive twenty (\$20.00) dollars per day in addition to his regular pay when working for and during any absence of the Highway Superintendent, such sum not to exceed twelve hundred (\$1,200.00) dollars total in any fiscal year.

Amend Section VIII - Hours of Duty - 8.1, to read as follows:

The administrative workweek for employees of the Town shall be Sunday through Saturday. The regular workweek of the Full-Time employees shall be scheduled within said administrative workweek by the Department Head and shall consist of the number of hours established in this SECTION and said APPENDIX A for the different classes of position.

Change existing Section VIII - Hours of Duty - 8.2, to read as follows:
Section VIII - Hours of Duty - 8.3.

Change existing Section VIII - Hours of Duty - 8.3, to read as follows:
Section VIII - Hours of Duty - 8.4.

Add new Section VIII - Hours of Duty - 8.2, to read as follows:

The regular hours of duty of full-time dispatchers (D-I) shall be so scheduled on a rotating basis that each dispatcher shall work four (4) consecutive workdays and then have two (2) consecutive days off, said rotation to be scheduled by the Department Head. The daily tour of each such employee shall consist of eight (8) hours inclusive of the lunch period. The regular hours of duty of employees who are assigned to attend a job related training school shall be scheduled to coincide with the regular hours of such training school. The hours of duty of part-time dispatchers shall be determined and scheduled by the Department Head.

Amend Section X - Longevity Pay - 10.1, the lump sum payment section, to read:

Five (5) Years =	\$125.00	Twenty (20) Years =	\$275.00
Ten (10) Years =	\$175.00	Twenty-Five (25) Years =	\$325.00
Fifteen (15) Years =	\$225.00		

Add new Section XI - Holiday Pay - 11.7, to read as follows:

Each full-time dispatcher (D-I) shall be allowed to accumulate either the Holiday pay or the equivalent time off after the Holiday occurs, and, provided the employee has not been compensated under any other provision of this Section. The accumulated pay or time off may be taken at the employee's discretion, subject to the prior approval of the Department Head.

1991 Annual Town Meeting
Town Clerk Summary

Article 52: To see if the Town will vote to amend the Town Of Plainville By-Laws by adding a new section to Article 15, "Police Regulations", as follows:

Section 15.27: - License Required.

It shall be unlawful for any solicitor or canvasser as defined in the by-law to engage in such business within the Town without first obtaining a license therefore in provisions of this by-law shall not apply to any person exempted under Chapter 101 of the General Laws, or to any person exempted by any other General Law; nor shall this by-law be construed to prevent route salesmen or other persons having established customers to whom they make periodic deliveries from calling upon such customers or from making calls upon prospective customers to solicit an order for future periodic route deliveries.

Section 15.28: - Definition.

A solicitor or canvasser is defined as any person who, for himself, or for another person, firm or corporation travels by foot, automobile or any other type of conveyance from place to place, from house to house, or from street to street, taking or attempting to lease or take orders for retail sale of goods, wares, merchandise, or services, including without limiting, the selling, distributing, exposing for sale or soliciting orders for magazines, books, periodicals or other articles of a commercial nature, the contracting of all home improvements, or for services to be performed in the future whether or not such individual has carries or exposes for retail sale a sample of the subject of such sale or whether he is collecting advance payment on such retail sales.

Section 15.29: - Application.

Applicants for a license shall file with the chief of police, on a form issued by the Police Department, a written application signed under the penalties of perjury, containing the following information:

- (a) Name of applicant
- (b) Address of applicant (local and permanent home address)
- (c) Applicant's height, weight, eye and hair color
- (d) Applicant's social security number
- (e) The length of time for which the right to do business is desired
- (f) A brief description of the nature of the business and the goods to be sold
- (g) The name and home office address of the applicant's employer. If self-employed, it shall so state.
- (h) A photograph of the applicant which picture shall be submitted by the applicant and be 1" x 1.5" showing the head and shoulders of the applicant in a clear and distinguishing manner
- (i) If operating a motor vehicle: The year, make, model, motor number, registration number, state of registration, vehicle's owner and address.
- (j) At the time of filing the application, each applicant shall pay a fee of Two Dollars (\$2.00).

1991 Annual Town Meeting
Town Clerk Summary

Article 52:

Section 15.30: - Investigation and Issuance.

Upon receipt of the application, the Chief of Police shall investigate the applicant's reputation as to morals and integrity.

After an investigation of the applicant's morals and integrity, but within 7 business days of the filing if the applicant, the Chief of Police shall endorse on such application his approval or disapproval. Failure of the Police Chief to act on said permit within 7 business days of the applicant's filing shall constitute approval. If disapproved, the applicant shall have the right of appeal to the Board of Selectmen in writing within 7 days of the denial by the Chief of Police. The Board of Selectmen must act upon the appeal at one of their next two regularly scheduled meetings. Failure to so act shall be deemed approval.

Such license when issued shall contain the signature of the Chief of Police or his designee and shall show the name, address, and photograph of said licensee, the date of issuance and the length of time the same shall be operative, as well as the license number. The Police Department shall keep a record of all license issued for a period of six (6) years. Solicitors and canvassers when engaged in the business of soliciting or canvassing are required to display an identifying badge issued by the Police Department, by wearing said badge on an outer garment. Each licensee is required to possess an individual license.

Section 15.31: - Duty of Police to Enforce - Transfer.

The police officers of the Town Shall enforce this by-law. No license shall be transferred.

Section 15.32: - Revocation of License.

The Chief of Police is hereby vested with jurisdiction over the revoking of licenses. Any person aggrieved by such revocation may appeal to the Board of Selectmen within 7 business days, and a hearing will be scheduled for one of the next two regularly scheduled meetings of the Board of Selectmen.

Section 15.33: - Expiration of License.

Each license issued under the provisions of this by-law shall continue in force from the date of its issue until the thirty-first day of December following, unless sooner revoked.

Section 15.34: - Renewal of License.

A license issued under the provisions of the by-law may be renewed by the chief of Police. An applicant requesting a renewal of a license must apply in person for such license renewal, and provide such information as is required to obtain an initial license.

1991 Annual Town Meeting
Town Clerk Summary

Article 52:

Section 15.35: - Misrepresentation.

No solicitor or canvasser, licensed or exempted from license, may misrepresent, in any manner, the buyer's right to cancel as stipulated by chapters 93, 93A and 255D of the General Laws.

No solicitor or canvasser, licensed or exempted from license, may use any plan, scheme or ruse which misrepresents the true status or mission of the person making the call in order to gain admission to a prospective buyer's home, office, or other establishment with the purpose of making a sale of consumer goods or services.

Section 15.36: - Trespassing.

It shall be unlawful for any canvasser or solicitor to enter the premises of a resident or business who has displayed a "no trespassing" or "no Soliciting" sign or poster. Further, it shall be unlawful for canvassers or solicitors to ignore a resident or businessperson's no solicitation directive or remain on private property after its owner had indicated that the canvasser or solicitor is not welcome.

Section 15.37: - Penalty.

Any person violating any provision of this by-law shall, upon conviction thereof, be punished by a fine not to exceed Fifty Dollars (\$50.00) for each and every offense, or do or act in any manner relative thereto.

Date of Action: 06/04/91

Meeting Action: No Motion

Town of Plainville

Proceedings of the Special Town Election

July 16, 1991

The ballot boxes were inspected by both precincts and were found to be empty. The count on precinct one ballot box was 411. The count on precinct two ballot box was 573. The counts on the ballot boxes reflected total voters for the April 1, 1991 annual town election. Counters were turned back to zero and voting proceeded.

The result of the Special Election July 16, 1991 was:

Question 1:

Shall the Town of Plainville be allowed to assess an additional \$151,718.00 in real estate and personal property taxes for the purposes of funding the operational budget of King Philip Regional School District for the fiscal year beginning July first, nineteen hundred and ninety-one?

	<u>Precinct One</u>	<u>Precinct Two</u>	<u>Total:</u>
<i>Yes:</i>	75	68	143
<i>No:</i>	209	280	489
<i>Blank:</i>	1	0	1
Total Votes	285	348	633

Voting was completed at 8:00 P.M. and results of election was completed at 8:50 P.M.

Respectfully,

Kathleen M. Sandland
Town Clerk

ANNUAL REPORT

OF THE

TREASURER

FOR THE

TOWN OF PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30

1991

THE UNIVERSITY OF CHICAGO

LIBRARY

1100 EAST 58TH STREET

CHICAGO, ILL. 60637

RECEIVED

UNIVERSITY OF CHICAGO PRESS

CHICAGO, ILL. 60637

TOWN OF PLAINVILLE
TREASURER'S OFFICE
TOWN OFFICE BUILDING
PLAINVILLE, MASSACHUSETTS

REPORT OF THE TOWN TREASURER
FISCAL YEAR 1991

To the Honorable Board of Selectmen:

During Fiscal Year 1991, the Treasurer's office received and accounted for \$14,199,134.18 in Regular Cash Receipts; \$19,819.42 in receipts for the Stabilization Fund; \$3,467.20 for the Conservation Fund; and \$9,204.87 for the Performance Bond Trust Funds. In addition, we processed cash disbursements of \$14,123,170.43 and Special Duty Payroll reimbursements of \$2,036.43.

We issued two types of short-term debt, State Aid Anticipation Notes and Bond Anticipation Notes. The State Aid Notes were in anticipation of grants awarded to us for Sewer Project II and the Water Treatment Plant and must be re-issued every six months. In December, 1990, we issued \$111,330.00 for Sewer Project II at a rate of 6.70% and re-issued those same notes in May, 1991 at a rate 4.88%. We issued \$800,000.00 in Water Treatment Notes in December, 1990 at a rate of 6.70% and reissued \$555,000.00 in May, 1991 at rates of 4.94% and 5.00%. The difference, \$245,000.00, was paid off with grant receipts from the Commonwealth.

We retired \$320,000.00 in Long-Term Debt, leaving a total outstanding at June 30, 1991 of \$4,035,000.00. There were no new issues during the year.

In May, 1991, the town's payroll began to be serviced by Automatic Data Processing as a result of BayBank's sale of its payroll accounts to A.D.P. We have had very mixed results so far and may look in to an in-house system at some point.

In September, 1990, I attended a Bank Safety Seminar presented by KPMG Peat Marwick, a Certified Public Accounting firm, and sponsored by the Bureau of Accounts. The seminar was helpful in understanding banks' financial statements so as to watch for warning signs which could suggest bank failures. Also, the seminar reviewed alternative legal investments for government funds. In October, 1990, I attended the Sixth Annual Municipal Forum sponsored by Middlesex District Attorney Scott Harshbarger. The forum reviewed several legal issues related to municipal government, including public records, conflict of interest and the role of the Town Counsel.

This report includes a reconciliation of cash by bank, fund, and expenditures at June 30, 1991, Maturing Debt Schedules and a breakdown of the Treasurer's Appropriations for the year.

Respectfully submitted,

Kathleen A. Parker
Town Treasurer

REPORT OF THE SCHOOL COMMITTEE

The results of the annual elections in April saw two new individuals elected to the Committee. They are Michael Lee of Oakridge Drive and Fred Paul of East Bacon Street. At the annual reorganization meeting, Mrs. Patrice O'Neil was elected Chairperson, Mrs. Margaret McGrath was elected Vice Chairperson; Mrs. O'Neil was elected as local representative to the King Philip Regional School Committee, and Mr. Neil Loew was elected local Representative to M.A.S.C. with Mr. Lee as the Alternate Representative to M.A.S.C.

The Committee would like to acknowledge the retirements of Mrs. Kathleen Roach and Mr. Alan Lovely. Both retired from School Committee service after many years on the board and we wish them all the best in the future. Also in that category is Mrs. Caroline Cooper who retires after 23 years of service as a teacher in the Plainville Public School System. For her service and dedication to the Children of Plainville, we wish her a long, healthy and happy retirement.

One of the major issues that confronted the Committee for nearly three years came to a conclusion on June 18, 1991 when the Committee, its Attorney and the Town Accountant signed a contractual agreement with Gelco, Inc. of Randolph, MA to construct a four classroom modular building at the rear of the Anna Ware Jackson School on Messenger Street. The building will house the kindergartens, music and art programs, and the school's library.

Failure to find a permanent solution to the overcrowding conditions at the Jackson School led to a warrant article at the October 1, 1990 Special Town Meeting, presented by the Committee to purchase four modular classrooms for \$300,000. The money needed for this purpose came from free cash and an internal transfer from the Vocational Education Account. As a result, no additional tax revenue was needed or necessary for said project.

The project was bid twice by the Superintendent of Schools before acceptable figures were bid on the Project. With the aid of Washburn, Nelson Associates, Architects/Engineers of Attleboro and Legal Counsel, Mr. John Lee, plus a favorable vote by the Committee the project became a reality on June 18, 1991. The rooms should have been ready for use when school opened in September.

While on the subject of school facilities, the propane tank buried beneath the front lawn of the Jackson School was emptied and removed by North Attleboro Gas when we connected the School to the main pipe on Messenger Street. Shortly after this project was completed, the Plainville Sewer Department connected the Jackson School to the main line under Messenger Street. The old septic system was drained, collapsed and filled in with gravel. This project was authorized by Town Meeting vote.

Also authorized by Town Meeting vote was the continued removal of asbestos from both the Jackson and Wood Schools. This was carried out during the 1990 summer vacation period. The last phase of asbestos removal was not funded at the Annual Town Meeting in June, 1991 due to severe financial constraints.

On the labor front, the Committee and the Plainville Education Association agreed to a new three-year contract covering the period from July 1, 1991 through August 30, 1994. The contract may be reopened in the second and third years for salary purposes only. Approximately one month later, the Committee reached a similar agreement with the Custodial Union in duration and reopening for salaries only.

Negotiations of the Horace Mann Grant were successfully completed between the Committee and the Plainville Education Association resulting in a "School Spirit and Community Involvement Project." The Grant was awarded to Mrs. Betty George and focused on a different theme each month.

The Committee voted unanimously to accept the School Improvement Councils' recommendation to purchase library books and supplies in the amount of \$1,003. for the Jackson School Library.

Curriculum development continued in a systematic approach within the School System. The committee approved a new Mathematics Curriculum that was implemented in September, 1990. Adopted unanimously was the MacMillan/McGraw Hill Mathematics Program, "Mathematics in Action," for grades one through six. Due to financial constraints, the Committee has temporarily halted curriculum development and new program implementations until the economy improves and revenue becomes available for such purposes. No new implementations are scheduled for September, 1991.

The Annual Town Meeting voted a school budget that was \$272,000 below the Proposed School Budget presented to the Committee in December of 1990. With State reimbursements down, a poor economy, and high unemployment, all a reality, funds were not available. As a result, two and one-half teaching positions and three aides positions were eliminated, the work year for two secretaries was reduced by one-quarter, and most supply accounts were reduced by a minimum of 20% if not more.

Due to the loss of those two and one-half teaching positions and the three aides, the Committee was forced to reorganize teacher and aide assignments. There now are three classes in grades four and six instead of four. It should be noted that teacher/pupil ratio still remains reasonable for the 1991/92 school year.

As the year was drawing to an end, the Committee decided to study the Use of School Facilities Fees. The School Department will be monitoring heat and electric output during the 1991/92 school year and reviewing fee structures in the late spring of next year.

Another issue that arose at year's end was the potential unionization of school secretaries. This process has started and will continue during the 1991/92 school year.

The Committee would like to thank the residents of Plainville for their moral and financial support of their elementary school system and extends its appreciation to the administration, staff, and parent volunteers for another outstanding year. I would like to take this opportunity to thank my fellow committee members for their dedication and hard work.

Respectfully submitted,

Patrice O'Neil
Chairperson
Plainville School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The 1990/91 school year had its share of highlights and one memorable lowlight. The tragic death of kindergartner Ryan Perry will never be forgotten by his peers and the Jackson School Staff. On behalf of the School Committee, Administration, and Staff, I extend our deepest sympathies to the family and friends of Ryan Perry.

As stated in the School Committee Report, the Jackson School was blessed with four new modular classrooms in September. This eliminated a reading class in the corridor, art and music in the cafeteria and the library being housed on the stage. Chapter I and special needs now have full-size classrooms and space is available for testing, parent conferences, physical and occupational therapy.

It should be noted that modular classrooms are a temporary solution to Plainville's student population needs and that eventually a permanent solution must be addressed.

Like all other town departments the school budget was reduced substantially. This resulted in a loss of personnel, reduction in work hours for some, and drastically reduced supply accounts for the 1991/92 school year. Curriculum development, staff development and new program implementations have all received a temporary hiatus.

It is anticipated that state aid, along with state and federal grants will be reduced substantially. Couple this with Proposition 2 1/2 tax limitations and fiscal 1992 and probably fiscal 1993 are looking bleak. The School Department will be seeking bids on a new bus transportation contract in the fall and this can only add to our financial problems.

With all the fiscal or financial news being anything but pleasant, there is one bright star shining on the dark horizon and that is Plainville's Parent Teacher Organization (P.T.O.), a supportive group that enhances our school system with modern state of the art equipment, outstanding cultural programs, enrichment programs, and dollars for field trips, admissions and other school-related events. During fiscal 1990, the P.T.O. purchased a SHARP SF9800 high speed copier that duplexes, collates, and staples. It is housed at the Jackson School and can produce over 500,000 copies per year. During fiscal 1991, the P.T.O. purchased a new high speed Risograph machine which is housed at the Wood School.

What else does the P.T.O. do for your school system? The following is a list of P.T.O. sponsored or paid for activities and events by months:

September

- a) Welcome Back Staff Luncheon
- b) Grade 3 field trip to Little Red Schoolhouse in North Attleboro (provides transportation)
- c) Storyteller, Len Cabral (Cultural Arts)

October

- a) Grade 1 field trip to Big Apple Orchard in Wrentham (provides transportation)
- b) Healthy Choices Program (Sturdy Hospital)
- c) Dinosaurs and Fossils (Cultural Arts)
- d) Pharaohs and Pyramids (Cultural Arts)
- e) P.T.O. Book Fair #1

November

- a) Garbage is my Bag (Cultural Arts)
- b) Grade 3 Handicapped Awareness Program (provides funds)
- c) Grade 2 field trip to Englehard Industries to see Water Recycling Process (provides transportation)
- d) Grade 4 field trip to Boston Aquarium (pays admission fees)
- e) A Time for Sharing (Thanksgiving Project) - P.T.O. donates additional funds
- f) Manitoos Indians (Cultural Arts)
- g) Grade 3 field trip to Foxboro Tree Farm (provides transportation)

December

- a) Rhode Island Philharmonic (Cultural Arts)
- b) Volunteers to help with the Winter Glee Club Concert and the Bournedale Cookie Sale

January

- a) Volunteers to help with annual Faculty vs Students Basketball Game
- b) Peanut Butter and Jelly Dance Group (Cultural Arts)
- c) C.A.P.P. (Child Abuse Prevention Program) - financial contribution

February

- a) Sponsors Father/Daughter Dance
- b) Dr. Scully's Preventive Dentistry Program for Grade 3 (provides chaperons and transportation, if necessary)
- c) Sweetheart of Education Day (Almost all parent volunteers are P.T.O. members and they are rewarded on this day by the Plainville Education Association and Administration.)

March

- a) Judy Bush - "Refuse, Don't Use" - Drug Awareness Program
- b) Dick Armour - "The Healthy Family" - Drug Awareness Program
- c) "The Bad Company Kaleidoscope Theater" - Drug Awareness Program
- d) Annual Fun Fair - Good time by all (fundraiser)
- e) Culmination Assembly on Drug and Alcohol Awareness Month (provides awards)

April

- a) "Pinocchio" Uncommon Theater (Cultural Arts)
- b) Wood School Glee Club and Spring Concert (provides volunteer assistance.)

May

- a) Grade 6 to Camp Bournedale Outdoor Education Center (provides for 10 or more scholarships)
- b) Sponsors Mother/Son Dance
- c) A.W. Jackson and B.H. Wood Field Days (contributes money for picnic food)
- d) P.T.O. Book Fair #2
- e) Grade 2 field trip to New England Aquarium (provides transportation and admission fees)
- f) Grade 3 field trip to Franklin Park Zoo (provides transportation and admission fees)
- g) Grade 1 field trip to New England Science Center (provides transportation and admission fees)

June

- a) Magician Bruce Calver (Cultural Arts)
- b) Grade 5 field trip to Boston Historical Trail (provides transportation)
- c) Grade 4 field trip to World Trade Center to view "World of Dinosaurs" (provides transportation and admission fees).

I think everyone gets the picture, your P.T.O. is an integral part of your elementary school system. On behalf of the School Committee, Administration, Staff and Students, our heartfelt thanks and appreciation is extended to this magnificent supportive group of parents.

The School Committee and I would like to commend the King Philip High School Peer Leadership Program. It provides a great service to our sixth graders by allowing them to freely discuss issues dealing with substance abuse, alcohol, sex, smoking and peer pressure. Just one more way articulation between the secondary and elementary districts is helping our children.

One last item of interest would have to be our first evening graduation ceremony. More than likely this event will be held in the evening in coming years. It appears to have made it easier for working parents, friends and faculty members (who have never been able to attend because of classroom responsibilities) to attend this program.

In closing, I would like to thank the Plainville School Committee, all school personnel, parents and guardians, and taxpayers for their support of the public schools during the past year.

Respectfully submitted,

Francis J. Cinelli
Superintendent of Schools

Regular meetings of the School District Committee are held every first Monday in February, April, June, July, August, and December, and every first and third Mondays in January, March, May, September, October and November. Meetings are held at the King Philip Regional High School at 7 p.m.

Report of the Superintendent

I hereby submit to the citizens of the District my annual report as Superintendent of Schools of the King Philip Regional School District.

Without question the most serious issue facing the schools is not AIDS, drugs, SAT scores, college acceptances or overall student education and success levels. Our greatest concern is resolving the financial support problem that directly affects our ability to be proficient and effective in not only those prominent areas, but actually in all of the areas in which we are mandated and designed to operate. Funding is the fuel that keeps the education machine moving. Unfortunately the sources are reluctant, for a variety of reasons, to make the commitment necessary to achieve the kind of educational system that parents want and students need in a rapidly changing nation and world. One cannot compete without mastering appropriate skills, knowledges and attitudes.

After years of declining aid and neglect, the legislature seems resolved to develop an equitable adequate funding mechanism. It will be coupled with increased educational accountability. Since we should always be accountable and responsible that is an acceptable and accepted trade-off. It is my hope that there will be rapid and substantial movement before our financial condition progresses from serious to critical. Since additional local aid for the District, through appropriations or overrides, appears to have little local support, the legislature is our only hope for survival as a quality school system.

The problem has an additional dimension in the increased enrollment we are now experiencing. The junior high school is gaining substantial number of students while the senior high school has stabilized. We can no longer reduce staff to pay bills without accepting much larger class sizes and reductions in the numbers of courses and course levels.

The bond issue, for replacement of the senior high school roof and to effect major repairs, was passed by the towns. The older portion of the roof was thirty-five years old and the "newer" section about seventeen. A valuable facility has been protected. The major repairs, including lavatory renovations, replacement of interior and exterior doors, an updated intruder alarm system, a new fire alarm panel, parking lot resurfacing, as well as emergency generator replacement at both schools, are on-going and will require about a year for total completion.

The renovations to the senior high school, coupled with the closing of the vocational wing, will result in an updated facility with adequate space for the foreseeable future. When the additional space is needed the former shops will have to be rebuilt into standard classrooms at some expense, but certainly less than an addition or new facility. Core services (cafeteria, library, gymnasium, etc.) are sufficient for a larger student population than we presently house.

The ten year accreditation of the senior high school will take place in the autumn of 1992. A visiting team from our accrediting agency, the New England Association of Schools and Colleges, will evaluate all aspects of the school utilizing the data from the school's self-evaluation conducted in 1991-1992 and the NEASC criteria for determining the quality of a secondary school. From its assessment a report will be published and presented indicating the school's strengths and weaknesses accompanied by a recommended level of accreditation.

Any level of accreditation that is less than full accreditation could be considered extremely detrimental to the acceptance of King Philip graduates by the more demanding colleges and universities of recognized excellence. Although the NEASC will acknowledge our financial condition it does not waver in its fundamental assertion that there are standards which must be met for unequivocal accreditation. Funding is a local decision therefore the quality of the school system is within the control of the communities it serves. If they abrogate their responsibilities then the level of accreditation, resulting from those aspects of the visiting committee's findings that relate to a lack of adequate funding, is also their responsibility. Creativity, "making due", stretching resources are important and are being employed every day. However, without a sufficient funding base rigorous educational standards cannot be maintained in the manner parents expect and students require.

The programs and building administrators have prepared the following reports which address achievements and concerns in their respective areas of responsibility.

Senior High School

King Philip Regional High School is accredited by the New England Association of Schools and Colleges. The high school faculty has begun the process of self-evaluation in preparation for the visitation of fellow educators in the fall of 1992 to review the standards for continued accreditation.

Our major student accomplishment continues to be that a high percentage of our graduates are prepared upon graduation for college or to enter their chosen career path; one of the highest daily attendance rates in the state; and a very low drop-out rate.

The flexible scheduling process has allowed continuation of student involvement in local college programs and exchange time with other colleges and universities. During the summer of 1991 a number of enrichment and remedial courses were offered during a five-week program.

The Peer Leadership program has continued to assist our students in their total development with awareness of adolescent concerns with training sessions being provided. The students then present programs on substance abuse, peer pressure, smoking, and school related concerns at the Junior High and district sixth grade classes. "Kinds Helping Kids" has received state recognition for an outstanding program.

This year the Parents' Network has been very supportive in continuing a goal to improve the communication between the home and school as well as increase of the high school opportunities available to our young adults. Their concern and involvement has been greatly appreciated by the administration and faculty. They have sponsored the "All Night Graduation Party" and in the fall of 1991 organized the first Father/Daughter Dance.

LANGUAGE ARTS

The Language Arts Department continued to emphasize both reading and writing skills in its curriculum. Courses designed to accommodate various abilities ranged from advanced placement for those students capable of doing college work to reading and writing labs for those with specific deficiencies. The curriculum was augmented by providing the opportunity for students to attend professional theater during the year.

MATHEMATICS

The Mathematics Department in preparing our students for life in the 21st century has implemented the standards of the National Council of Teachers of Mathematics.

Students have access to over ninety IBM computers, twenty-six of which are networked to facilitate the teaching of computer applications and the languages of BASIC, FORTRAN, Pascal, and COBOL. Through the introduction to computer courses, all students gain exposure to the capabilities of using computers.

SOCIAL STUDIES

The Social Studies Department has continued to be involved with the political issues of the day as well as the Hugh O'Brien Youth Leadership Seminars, State Government Day, and class elections. Students continued to be involved with field trips to the Wrentham Courthouse, Law Day, and the Hockomock League Model Senate.

SCIENCE

The Science department continues to offer a sound curriculum in their area with restructured courses in Fundamentals of Science and Biology. The new laser disc technology is being used in the Biology and Earth and Physical Science courses.

FOREIGN LANGUAGE

The Foreign Language Department offers a five year sequence in French and Spanish starting in Grade 7 and a two year sequence in German and Latin starting in Grade 9. Advanced placement courses are offered at the upper college credit while at the high school level.

Departmental goals include the increased use of computers in foreign language education, addition of a computer assisted language laboratory, and expansion of language offerings.

BUSINESS

The Business Department continues to offer a complete program to prepare our students to enter the world of business. There has been an expansion in the use of computers in the accounting program and with a word processing software package to obtain entry-level or personal use skill. The business and marketing internship programs continue to provide work experience and bridge the classroom activities with the business community.

MEDIA CENTER

Students have access to a quality collection of resources in the Media Center. Materials are chosen to reflect what is being taught in the curriculum, and students should be able to find the necessary research and report materials as required for class assignments. Computers, electronic encyclopedia, microfiche, and videocassetts and disks are available; and students are encouraged to take advantage of the latest in educational technology to facilitate their search for information. The Media Center has extended its services to students, faculty, and communities with the addition of Massachusetts Corporation for Education Telecommunications (MCET) and Whittle Communications news and educational channel.

Junior High School

A very successful school opening was followed by a very well attended Open House for parents. The evening activity afforded parents the opportunity to follow their youngsters' schedules in order to meet teachers and become familiar with course content, classroom organization and homework policies.

Our parent group continues to be active with monthly meetings scheduled to address a wide range of topics. They were responsible for making our first Parent/Student Sports Night a tremendous success.

1990-1991 saw the development of K-PEP (King Philip Enrichment Program) under the direction of Mrs. Susan Gregg, Seventh and Eighth Grade English Teacher. Thanks to her development and coordination our students participated in an extensive array of enrichment activities.

MCET and Channel 1, satellite and cable distance learning. Sounds like the making of a space odyssey. In reality we are grateful for the most modern audio/visual equipment available to our youngsters at the junior high and its ability to bring world wide educational programming and world events directly into the classroom.

After extensive review of materials, our social studies department selected a new series for our eighth grade American History program.

Congratulations to the outstanding achievement of those students who received recognition at our annual academic awards ceremony in June. Their efforts and achievement were outstanding.

We wish to thank the many parents and friends who participated in our annual fund raiser. You are a tremendous help in supporting our students activities program. The activities program would not be possible without your dedication, support and concern.

Pupil Personnel Services

With the continuing economic slowdown and the resulting impact it has on the school budget, we, like all other departments of the school system, are feeling the effects of the loss of personnel and a general reduction in supplies and materials. Although this "belt-tightening" is difficult at times, because of a reduced student population, it has not resulted in a crisis situation. Currently, we are able to function adequately. However, with the student increases already occurring at the Junior High School, it is becoming very evident that continued severe fiscal restrictions will result in a chaotic situation as the population returns to past levels. I believe we probably can manage one more year (92-93) at current levels but beyond that, it is expected that we will be asking to again add staff e.g. guidance counselor, special needs resource teacher.

This past summer, we completed the microfilming of "leavers" records for 1957-1985. This year, our goal is to put the class records for 1989-1992 on microfilm followed by the 1985-1990 "leavers" in the summer of 1993. After that, we can wait until 1998 before resuming microfilming of records. In 1993 we shall, in effect, catch up in our record keeping which had fallen behind because of fiscal restraints.

This year we had 131 schools represented at the College mini-fairs. These fairs were open to all seniors and, for the second year, to Juniors. This program is open to parents as well as students and was announced regularly through the guidance newsletter. Unfortunately, parents do not take advantage of this important opportunity.

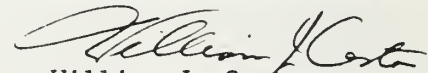

New health regulations this year mandated a second dose of measles vaccine at entry into the seventh grade. Most of the class arrived without the proper immunization and the families were notified of the requirement. By October 15th everyone had complied and no student had to be excluded from school. Hopefully, as people become more aware of this strict mandate, we shall have fewer students each year who are not in compliance. In the future, efforts will also be made to have everyone immunized before the opening of school.

Conclusion

The School Committee has actively participated and supported us in our many endeavors. Its leadership and cooperation remain active and vital. I also sincerely appreciate the efforts of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers, and administrators in all our schools.

The success of the schools is dependent upon the interaction of all who teach, learn, serve and support the schools in the Regional District.

Respectfully submitted,

William J. Costa
Superintendent of Schools

ANNUAL REPORT
OF THE
TRI-COUNTY REGIONAL
VOCATIONAL TECHNICAL
SCHOOL DISTRICT
FOR THE
TOWN OF PLAINVILLE, MASSACHUSETTS

FOR THE YEAR ENDING JUNE 30
1991

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT

ANNUAL REPORT 1991

In July 1991 the School Committee reorganized and elected the following officers: William Vellante (Millis) Chairman, Janice Young (Walpole) Vice-Chairman, and Dr. D. E. Leco (North Attleboro) Secretary.

The School Committee conducts its regularly scheduled meetings on the first and third Wednesday of each month at 8:00 P.M. in the Committee Meeting Room at the school. From the beginning of November until the end of January, the Budget Sub-Committee meets on the second and fourth Wednesdays specifically for the purpose of budget development. Other sub-committee meetings are scheduled as needed.

Graduation

On June 3, 1991 156 students were graduated in an impressive afternoon ceremony. Chairman Charles Mucciarone delivered the Address of welcome to more than one thousand guests. Music was provided by the Millis High School band.

Mary Fleming, Director of Pupil Personnel Services, presented scholarships and awards totaling more than \$25,000 to deserving senior students. Franklin residents who were recipients of awards and scholarships were Frank Suchanek, Tiffany Lodico, Dawn Vaughn, Eric Johnson, Audra Alberto, Linda Rugoletti. Walpole residents were Alyse McLaughlin, John Daley and Paul Cournoyer. North Attleboro residents were Brian Botelho, Jennifer Costa, Joshua Collins, Jennifer Martin, Eric Paradis, Neil Boyle, David Gregory, Bernadette Mulvaney, and Melanie Soullier. Medway residents were Kurt Mistler, Scott Hamel, Shane Stevens, Traci Lee Bennett, Dennis Ceruti, Stephanie Coakley, Eric Hoban and Martin Blenkhorn. Gregory Mitchell from Medfield, Troy Bickford from Millis and David Pepin and Sean Bray from Seekonk.

Pupil Personnel Services

In September 1991, Tri-County welcomed approximately 732 students to the new school year. Of that number, 26 were Plainville residents.

The ninth graders embarked on their exploration of eight vocational and technical career areas. This program which truly is the best vocational evaluation known also requires students to explore areas which are nontraditional by gender. It is hoped that more students will select nontraditional areas and that any apprehension which may exist for those who do will be lessened by this experience.

Tri-County administered the PSAT's for the College Board. Results of the test are used for counseling students regarding postgraduate studies and for awarding National Merit Scholarships. Through this program Yeasah Pell of Franklin was selected as a National Merit Commended Student. Tri-County counselors, parents and students joined other area towns for a Higher Education Evening in Walpole with over 200 college Co-op/Vocational counselor to work with them on job placement, co-op, and for college counseling.

The Pupil Personnel Department developed evening programs for 1990-91 centered around the theme of "Parenting in the 90's". The Guidance department established a Peer Helpers program to assist with school

adjustment and to introduce Vocational Education to junior high students in the community. The department continued its programs for parents on Financial Aid, College Selection and Special Needs. Tri-County hosted Open Houses for Grade 8 students and their parents on November 19 and February 13 and continued to hold guided tours at the school on Tuesdays for the public. Hundreds of parents took the opportunity to tour their vocational technical high school.

In November 1991, Tri-County sponsored two Career Days for its member towns. This year Grade 8 students from the sending towns had the opportunity to see and to hear career options centered on eighteen vocational and technical areas and to view the vocational technical component of the Franklin School System housed at Tri-County.

Academic Programs

All students at Tri-County follow a core curriculum which requires four years of study in each of the major academic disciplines: English, Math, Science and Social Studies. Students also are required to successfully complete at least two years of physical education, and to take other elective programs such as business, word processing, drafting, etc. to insure that everyone has a full schedule of classes each year. There are no study periods and each student must carry a full schedule.

Until recently all academic courses were taught and structured using an ability grouped approach. Recently there has been movement towards homogeneous grouping of students in some academic courses while maintaining ability grouping when curriculum demands such a structure. For instance those students who take College Algebra I are clearly top level students. On the other hand students who take the ninth grade science course titled "Health Awareness" are heterogeneously scheduled.

Curriculum review and revision continues to be a high priority in all academic courses at Tri-County. In response to changes in admissions requirements at many engineering colleges we now offer a course titled "Introduction to Calculus" as a part of our math offerings.

During the 1991-92 school year much emphasis will be placed upon the further refinement of our "applied" academic curriculum. By ensuring that academic concepts are taught through a relevant methodology using examples from trade applications as well as actually using a "hands-on" approach when possible, we hope to capitalize upon the learning strengths of our students. We expect that our program will expand and build upon our existing programs by incorporating more academic content in vocational and technical courses; by making existing academic courses more vocationally relevant; and by improving the alignment of academic and vocational curricula.

Vocational Programs

Tri-County's vocational programs continue to provide numerous services to both individual and community members of the Tri-County School District.

The Auto Shop is responsible for maintaining, repairing and servicing all of our school vehicles. We also provide services and repairs to the people who reside in Tri-County's district towns. The Auto Repair program received ASE Master Certification from the National Automotive Technicians Education Foundation, Inc. (NATEF) in 1990-91. This certification is nationally recognized and considered to be the highest achievement known in the Automotive Industry. The Master Certification was awarded to the

following areas of Automotive service: Automatic Transmission and Trans Axle, Brakes, Electrical Systems, Engine Performance, Engine Repair, Heating and Air Conditioning, Manual Drive Train and Axles and Suspension and Steering.

Since the addition of Tri-County's new "Down Draft Spray Booth", our complete paint jobs have been rated as equal to that of any first class Auto Body Repair Shop. Student placement rates remain high in this much needed profession.

The Machine Shop curriculum is designed to meet the needs of industry. Industry is seeking students with vertical and horizontal milling machine experience. Industry is also desirous of hiring graduate students that have experience setting up and operating computer numerical control machines. Tri-County graduates have experienced 100% placement over the past several years.

The Metal Fabrication/Industrial Technology program trains our graduates in all phases of welding and cutting. Students are able to be tested and receive Welding Certification that will help them to gain employment after completing school. Industrial Technology students are trained to do residential and commercial wiring and perform small engine repair. Industrial Technology trains some of our select students to become "Equipment Technicians" and to gain employment with Texas Instruments at its highest salary level. This successful program that has been in operation for two years.

The Plumbing program continues to provide graduate students with the necessary skills and habits to become licensed (state) journeymen. In the Plumbing Shop there are simulated house and apartment mock-ups where our future plumbers are trained in all aspects of the plumbing trade.

The simulated shop job activities and the correlated theory program within our Electrical program prepare our graduate students for the state journeymen examination.

Both the Carpentry and Masonry shops prepare our student graduates for the construction trades. Many of our graduates are employed doing carpentry and masonry work in the building industry. Many of our Tri-County Alumni operate their own businesses. These two shops recently completed a large storage compartment 34'x24' attached to the plumbing/masonry shops.

Technical Programs

The Child Care Program continues to attract large numbers of Toddlers and Preschool children into their program to service the developmental needs of younger members of the Tri-County District.

Commercial Art has multiple Desktop Publishing computer stations and students are learning updated methods of design on state of the art equipment. The Page Maker Program is taught to 10,11, and 12th grade students.

Cosmetology provides students with 1000 hours of instruction to prepare them for the State License in Hairdressing. Facial and manicuring along with hair care continue to make this a popular program for area residents. The clinic is open to members of the community during the school year.

The Culinary Arts Shop has provided Holiday and Ethnic Buffets for area residents throughout the year. The Dining Room (Gerry's Place) and Bake Shop continue to attract many local patrons. Senior Citizens groups from the community visit Tri-County to sample the the delicious meals that are prepared by the students. Gerry's Place is open to the public for lunch during the school year.

Electronic Technology has added consumer product service to their curriculum which will provide additional jobs for students in the Electronic field. Many students continue their education at two and four year colleges in the area of laser technology and computer programming.

Graphic Arts has provided their printing service to Town Halls, Police and Fire Departments, as well as many nonprofit organizations throughout the Tri-County District.

Marketing/Secretarial Education continues to expand their program by offering students instruction in the areas of Legal and Medical Secretarial office skills. Along with Retailing and Banking instruction, the students are mastering skills in Computerized Accounting, Data Base Management, Work Processing and Lotus 1-2-3. Many students receive realistic career training in Banking by working at the Dean Cooperative Bank located at Tri-County. The Bank is open to the public during the school year for all banking services.

Medical Career (Nursing Assistant) is a new program in our Technical Department. The program is state-certified and provides students with skills to work in a variety of medical settings. The course combines both classroom instruction and practice in a nursing lab.

Adult Education

The Evening School program has enrolled approximately 675 students for the 1990-91 school year. Nursing Assistant, Advanced Manicuring, Typing, Lotus 1-2-3 and Secretarial Skills have been added to the program due to increased interest by the residents of the District. The Adult Education program of studies will continue to include Carpentry, Cosmetology, Electrical Code, Esthetics, HVAC&R, Introduction to CAD, Introduction to Word Processing, Machine Shop, Manicuring, Plumbing Code, Welding and Woodworking. The Mandatory Code Review course for licensed Electricians will be held on selected Saturdays throughout the year.

Athletics

Tri-County continued to field ten interscholastic programs as well as Fall and Winter Cheerleading. Over one hundred students participated each season. All of the teams received either a gold or silver certificate from the M.I.A.A. for their academic excellence.

Patience paid off for Tri-County during the 1990-91 school year. Twenty-five students participated in the young Cougar Wrestling team winning 7 of 11 matches. The Girls' and Boys' Basketball teams showed strong improvements with a young team. The Boys' Basketball team made to its first ever state tournament, while the Girls' Basketball team showed signs for next season's state tournament.

The 1990 Fall season saw the school put up their first banner in the gym in many years as the Football team was crowned co-champs. The Cross Country team had eleven wins with many runners due back next season. The

young Volleyball and Soccer teams finished with good feelings of years to come. Meanwhile the Girls' Cheerleading Squad continued to encourage our teams on.

The Tri-County Athletic Association continued to recruit new members and showed much support to the athletic programs. A newly founded Tri-County Hall of Fame Committee was established and looks forward to the induction of its first former athletes in 1992.

Student Activities

Tri-County has an active VICA Chapter (Vocational Industrial Clubs of America). In the 1991 National VICA competitions, Tri-County was well represented. David Gregory of North Attleboro won a bronze medal and Yeasah Pell of Franklin won a merit award (top 10%). Over ninety-nine students participated at the local, state and national levels. Plans for this year's competition are on-going.

In the Fall of 1991, Tri-County will be involved in a cultural and technical exchange program with Lycee Technique Rene Cassin (Rene Cassin Technical School). Tri-County students and staff will host their counterparts from France for eight to fifteen days and will journey to France in February of 1992 for seven to ten days.

Potential future exchanges are being explored with a school in Ireland.

Summary

As we move into 1992 and continue to provide for the educational needs of our students, we wish to thank the District residents for their support and cooperation. We intend to maintain in the future the high educational standards that have earned Tri-County that support in the past.

Chief of Department

Plainville, Massachusetts

Board of Selectmen
Plainville, Ma.

To the honorable board of selectmen:

Report of the highway department from July 1, 1990 to June 30, 1991:

Highway maintenance:

Streets and sidewalks have been swept. Roads have been repaired. Gravel roads have been graded. Street signs have been repaired or replaced as needed. Traffic lines have been painted. Grass mowing and trimming was done at the South Burial ground, Constitution Park and the Bliss Union Chapel. Litter pick ups have been held. Maintenance work at the conservation areas was completed.

Sidewalks:

Have been repaired and rebuilt on South Street and East Bacon Street. A new sidewalk was constructed on West Bacon Street.

Drainage:

Work was started on the School Street drainage. Structures have been repaired. Several culverts have been replaced.

Snow Removal:

Sanding and plowing was done. Storm drains have been cleaned. Equipment was repaired and repainted.

Trash Removal:

Trash has been picked up weekly. Residents are reminded that trash cannot contain yard waste or hazardous materials. White good pick ups were done in the Spring and Fall.

Repair, reconstruction and resurfacing of town roads:

Deerfield and Appletree	9/17/90	250.8 tons
Pinetree	9/17/90	124.7 tons
Carleton Road	9/18/90	125.5 tons
Elizabeth Street	9/18/90	251.5 tons
Cross Street	11/19/90	149.3 tons
Fales Road	10/19/90	261.7 tons

Chip sealing was done on East Bacon, West Bacon and Pleasant.

Respectfully submitted

Ron Fredrickson
Highway Superintendent

During FY91 construction began for the Turnpike Lake Well Water Treatment Plant. Construction was completed and the Plant became operational on July 22, 1991 (FY92) some five months ahead of schedule. Winston Builders of Westboro, Ma was the general contractor, Camp, Dresser & McKee, Inc. provided all Engineering Services and the Commonwealth of Massachusetts D.E.P. provided 50% of the construction costs of Plant (eligible costs).

Plainville's Share	\$ 913,000.00	subject to
Massachusetts D.E.P.	840,000.00	final audit
Total	1,753,000.00	

During the year the Water Department continued to meet with all parties concerned regarding the new wells installed at the rear of the Highway Garage to replace the original well which was installed in 1974 and had become plugged by iron and manganese. During construction, contamination was discovered in the general area which has prevented the new wells from operating. At present the concern is that pumping the new wells may reverse the flow of the groundwater and draw contamination into the well. Until the Massachusetts D.E.P. and the Water Commissioners have more information and can conduct a final pump test, the wells remain inactive. It is anticipated that all necessary testing will be completed during the next fiscal year.

Wells number 1 and 2 off East Bacon Street were cleaned and reconditioned during March and April in preparation of the summer demand. Well #1 as has been seen in recent years did not respond well to this action and is a concern for the future. Well 32 responded satisfactorily. Well #5 was not in need and will be done during FY92.

Well #1	constructed	1964	condition	poor
Well #2	constructed	1965	condition	good
Well #5	constructed	1990	condition	good

Hydrants were inspected and repaired when found in need. Records for location purposes were up-dated and the system continues to be mapped for updating.

The Water/Sewer Department purchased a new 3/4 ton utility vehicle and retired the former police cruiser which had been utilized by the department.

Vehicle #1	1983 Ford pick up	condition	good
Vehicle #2	1991 Dodge utility	condition	excellent

SEWER USAGE

1-1-90 thru 12-31-90

CONVEYED TO NORTH ATTLEBORO WASTEWATER PLANT	97,913,000 gals.
AVERAGE DAILY DEMAND	268,000 gals.
HIGHEST MONTH - JANUARY 1990	12,197,000 gals.
LOWEST MONTH - JUNE 1990	216,000 gals.

PLAINVILLE WATER/SEWER DEPARTMENTS

142 SOUTH STREET
P.O. BOX 1565
PLAINVILLE, MASSACHUSETTS 02762

Page 4

PAYMENTS TO NORTH ATTLEBORO	1st half	\$ 44,753.44
	2nd half	44,360.15
	Total	<u>\$ 89,113.59</u>

The sewer system was monitored during the year and numerous inspections were made of new service connections. Several blockages or breaks were encountered during the year and repaired where needed. The Sewer Department continues to work co-operatively with the Town of North Attleboro and various Federal and State Agencies which govern all waste water discharge. Every effort is being made to assure that all regulations are properly enforced.

The combined Water and Sewer Commissioners wish to extend their thanks to all the various Boards, Commissions, Department Heads, Elected Officials and employees with whom they have have contact with during the past year and also would like to take the opportunit to extend a special note of thanks to Mr. Russell Babbitt who after not running for re-election was re-appointed to a position on the Board to fill a vacancy when another member resigned. A special thanks also to Mr. Dennis Marcure and Mrs. Patricia Barney, Water and Sewer Department employees whose daily contributions to the overall operating efficiency of the Department are greatly appreciated.

RESPECTFULLY,

JAMES R. MARSHALL, JR.
Superintendent to the Boards

PLAINVILLE COUNCIL ON AGING

To the Honorable Board of Selectmen:

Annual Report for year ending June 30, 1991

	Salaries	Expenses	Total
Appropriation	\$41,514.00	\$14,250.00	\$55,764.00
Expended	41,398.06	13,561.15	54,959.21
Balance	\$ 115.94	\$ 688.85

Non-print material	1.966	3.956	5.922
CIRCULATION TOTALS	13.961	20.774	34.735

The Plainville Library has continued to grow dramatically over the past year. The statistics show that the circulation has increased by over 59% from the previous year. An additional 807 new borrowers were registered during FY91. The staff has been able to handle more reference questions due to the improved reference collections in both the Adult and Children's Departments. When other materials were requested by patrons, the staff obtained over 300 books from other libraries through InterLibrary Loan. The statistics bear out that during these times of recession, the Library becomes a very integral and necessary part of the community.

The Programs presented this past year have been exciting and well attended. Children's programs included Storytime with Elixabeth Nadow. Fun with Fossils. The Music Lady, A Karate Demonstration. Discovery Puppets. The Beans Concert. Bill Harley and other storytellers as well as many varied pre-school storytimes and activities provided by our Children's Librarian, Loretta Eysie.

The Friends of the Library sponsored several successful Adult Programs, activities included Easter Egg Decorating. Quilts. Grapevine Basket Workshops. Furniture Painting and Flower Arranging.

The Children are also enjoying the tradition of the annual Spooktacular Night at Halloween and the Trim-A-Tree Program at Christmas. also provided by The Friends. Many Thanks to The Friends of the Library for their hard work and support.

We are continuing to pursue all avenues for additional funding, particularly in the area of grants. The Priority Preschool Grant is presently underway. This grant targeted the needs of the nursey and day care population and providers. We are presently in the process of accepting a grant entitled Operation Afterschool addressing the needs of students attending Grades 3-6. This grant will be providing a Homework Center with Computer as well as reading materials and after school programs.

We are pleased to announce that our patrons are enjoying the use of the Apple IIGS Computer and the typewriter which are in constant use. During these hard times, access to these machines has become a most valuable resource to the community.

With deepest regret, we accepted the decision of Gail Watkins to leave the Board of Trustees. Her enthusiasm and support for library service and education in addition to her hard work is sorely missed by all. We welcomed Linda Lyon as our newest trustee. She joins us with a wealth of ideas and a steadfast dedication to the continuation of library services.

We would like to take this opportunity to thank all the volunteers and Town Departments for their help during the past year. A special note of thanks to Ron Frederickson and the Highway Department for completing the blacktop for the rear sidewalk.

Our gratitude to the Parent Teachers Organization for once again providing much needed passes to the Museum of Science and to the Plainville Arts Lottery Council for the beautiful Art Display Panels. Many thanks to Rick and Ann Stenfeldt for their generous donation of the 60 volume set of Great Books of the Western World. The gift of these works will be enjoyed by all for generations to come.

The Board of Library Trustees would also like to thank our Library Director, Ann Robinson and our staff, Nancy Hill, Loretta Eysie, Pat Cobb and Sandy Stockwell for their dedication and faithful service to the Library.

As always. the Trustees and the Staff wish to thank the citizens of Plainville for your support and encouragement. It is this support that enables the Library to provide the quality of services you have come to expect and so richly deserve.

Respectfully submitted.

Board of Library Trustees
Barbara Lee

Historical Commission

136 SOUTH STREET

PLAINVILLE, MASSACHUSETTS

02762

From May 10-19, 1991 the Plainville Historical Commission topped all of its previous efforts by preparing and hosting an exhibit titled THE HISTORY OF MESH IN PLAINVILLE. The show which was held at the Humphrey House (former library) was visited by approximately 800 people. This endeavor was made possible by the generosity and hard work of many. Folk for miles around loaned their mesh bags, old and new, other mesh products, pictures, artifacts, and their precious memories. Thank you all. Whiting and Davis Company cooperated wholeheartedly--giving materials and prizes, lending products and pictures, and sending people to help with arranging the display. Here we must express public thanks to Betty Johnson for her expertise, physical labor, tremendous interest, and moral support. Members of the commission put their shoulders to the wheel in every area, plus painting and papering a room, cleaning all the rooms, and staffing the exhibit. The grade five students produced a wonderful illustrated time line dealing with the entire history of mesh which we were proud to display. Media coverage was excellent and most favorable. However the most important figure connected with the entire event was that of Charles Whiting Rice, grandson of the founder of Whiting and Davis. Mr. Rice gave fully of his knowledge, his collection of memorabilia, and his enthusiasm. We thank you, Charlie.

Research questions have been many and have varied from properties on Warren , Taunton, High, George, Spring, and South Streets to families named Cheetham, Farnsworth, and Slack from the 1800's and Fisher in the 1700's to specific places such as the Angle Tree Stone, the Guinea School, Thompson's Store, and the homesite of toolmaker, Caesar Chelcor. Requests have come from the Boston Globe, the Sun Chronicle, Plainville United Methodist Church, the Brownie Troop, the Plainville Schools, alumni of Plainville High School, engineering firms doing site surveys, developers of land, other town departments, college students writing papers, and elementary school children doing the same. We have been asked for lists of Plainville Civil War veterans, all of the library trustees and their terms of office, and about artifacts unearthed locally. The chairman has also been asked to be present with the selectmen at their meetings dealing with the Bliss Chapel.

We acknowledge gifts from Joseph MacDougald, Sr. Chris Laughlin, Edna Ronhock, Mike and Sherri Miller, Gordon Woodhams, Rita and Larry Carpenter, Dorothy Rice, Edie Parastatides, Plainville United Methodist Church, James Damato, Mr. and Mrs. Wm. Hanna, Charles and Harriett Rice, Roger Darby, Cynthia Cargill, Helen Cobb, William Clarke, Georgette Plante, Everett Skinner, Barbara and Fred Fluck, Ann and Donald Wing, and from the estates of Irene Warren and John Kenerson.

Our meetings are held at 136 South Street on the third Wednesday of the month from 7 to 9 p.m. You are cordially invited to attend.

Park Commission

PLAINVILLE, MASSACHUSETTS

02762

December 1, 1991

To the Honorable Board of Selectman and the citizens of Plainville:

The Plainville Park Commission hereby submits our report for the year ending June 30, 1991.

The Park has had another exciting year of expanded programs. This years programs have been varied and successful. Citizens of various ages have participated in the programs offered.

	Attendance of:	Children	Adults
We offered 5 trips :		154	91
We offered 5 childrens shows :		284	51
Summer activities :		151	16
School year activities :		312	46

Meetings were held on the First and Third monday of each month. Our budget is as follows:

	Budgeted	Expended
Expenses	\$ 10304.65	6709.65
Salaries	\$ 27890.00	26775.13

We would like to take this opportunity to thank all the volunteers and various Town Departments for their help and cooperation during the past year.

The Park Commissioners and staff want to thank the citizens of Plainville for your continued support and encouragement. It is this support that enables the Park to provide quality programs and trips that you have come to expect from us and which we feel you so richly deserve.

Your Park Commissioners,

Barbara Toosley
Cherly Pollett
Beulah Rench

TO: BOARD OF SELECTMEN

FROM: PERSONNEL BOARD

SUBJECT: ANNUAL REPORT

In the third year of the renewed existence of the Personnel Board we have begun to settle into a more organized and routine handling of appropriate Board business. During the past year we have met with several departments regarding such matters as proper compensation levels, requests for variances in special circumstances, and adherence to contracts, By-Laws and past practices.

Routine step increase requests have been reviewed and recommendations forwarded to the Board of Selectmen. Douglass Snook has been appointed to the Town negotiating team which will be meeting with the highway department. Marcia Robbins will serve as an alternate.

Headway has been made in the area of problem solving at the lowest possible levels. Memos to the Personnel Board delineating problems where no formal attempt to discuss the problem at it's point of inception have been eliminated. Since we now have a history of expenses we are reducing our budget request for fiscal year 1993 from our previous \$300 to \$200.

We have had an opportunity to meet with the newly constituted Board of Selectmen to review the needs they are looking to our board to fill along with a feeling for the priorities involved.

Among the projects either accomplished or underway are the following. We have drafted a form for acquisition of information to be entered into our computerized personnel file. This has been approved and has been distributed to all Town employees. The format for job descriptions has been approved and drafts for the various positions have been begun. A prototype form for recording employee attendance with coding identifying the various classifications of attendance or absence was developed and used on a trial basis. The results of this trial is leading toward a commercially available form.

A Frank Grzenda from our board became a member of the special committee seeking an Administrative Assistant for the Selectmen's office. The criteria for the individual to be hired has been established by a draft prepared by our Board, reviewed and augmented by the Board of Selectmen.

We assisted the Dispatchers in organizing themselves into a bargaining unit which eventually was responsible for an improvement of their compensatory situation which had been neglected for several years.

Personnel Board meetings continue to be held the second and fourth Mondays of each month, unless otherwise posted, but the meeting place has been moved to room 203 on the second floor of the Town offices.

CABLE ADVISORY COMMITTEE

JULY 1, 1990 to JUNE 30, 1991

TELEPHONE 695-3142

TO THE HONORABLE BOARD OF SELECTMAN:

During fiscal year 1991, the Cable Advisory Committee (CAC) continued to present bi-weekly selectman's meetings on the local origination Channel 8. Along with these regularly scheduled meetings, other special events were recorded and broadcast on Channel 8, including the Annual and Special Town meetings, the opening day ceremonies of PAL baseball, the annual Candidates Night Forum, the Lighting of the Town Christmas Tree, as well as many other various school and town events.

The CAC also entered into vigorous negotiations with Heritage Cablevision, the current holder of a ten year license, which expires in August, 1991. A public hearing is scheduled for late July 1991, after which time a final proposal will be obtained and forwarded to the Board of Selectman and Town Counsel for approval.

Finally, the CAC would like to acknowledge two new members of the Committee who have joined this past year -- Dorothy Rose and Ron Dix. Both have given their time and suggestions to the Committee unhesitatingly during these times of negotiations and change.

The CAC meets every third Thursday at 7:00 pm at the Town Hall, and acts as a liaison between the citizens of Plainville and Heritage Cablevision to address your concerns. Please contact any member, or visit a meeting for more information of how we can serve you!

ZONING BOARD OF APPEALS

Plainville Police Department

PLAINVILLE, MASSACHUSETTS 02762

OFFICE OF THE CHIEF

Andrea Soucy, Chairman
Board of Selectmen
Town of Plainville
142 South Street
Plainville, Ma.

Re: Annual Town Report

Dear Mrs. Soucy:

I respectfully submit these brief comments for incorporation into the Annual Town Report for the police department. The passing of a year causes a department manager to reflect on the accomplishments and failings of the department during the previous year. A natural evolution of that examination is the reassessment of the planning for the future of the department.

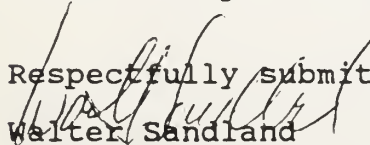

To make effective change or improvement in the municipal sector involves a considerable longer period of time than in the private or business sector. There are no accommodations for research and development in a municipal fiscal plan or setting. In fact, the need for planning is just beginning to be recognized as a usable tool. Small municipal governments are no longer able to exist or function under the olde rules and practices.

To confront or manage the changes in social norms and practices, it is imperative that the Town begin to develop systems and resources to address the demands of a very complex legal and social system.

To further compound the above-mentioned stresses, the Town of Plainville in the near future is going to confront severe fiscal realities and should be prepared to make some "hard decisions" on the delivery of municipal services.

This department will make every effort to respond to these changing conditions, but the measure of the success or failure of that effort will be primarily based on the availability of resources.

Respectfully submitted,

Walter Sandland
Chief of Police

COMMONWEALTH OF MASSACHUSETTS
OFFICE OF THE TREASURER
NORFOLK COUNTY

DATE: January 10, 1992
TO: Mayor of Quincy
Chairman of Franklin Town Council
Chairmen of all Boards of Selectmen
Norfolk County Advisory Board Members
FROM: Robert D. Hall, Jr./Norfolk County Treasurer
SUBJECT: 1991 Annual Report

Inasmuch as you provide financial support to the County and whereas County Government's role is to serve the municipalities that make up the County, I thought it appropriate for the Treasurer (as one of your elected County officials) to report to all the County's municipalities on the activities of my office during this past calendar year.

When I was sworn into office as Norfolk County Treasurer on January 2, 1991, I found the structure of the office considerably different than it had been in November when I was elected. As of December 31, 1990, necessary clerical personnel had been eliminated from the Treasurer's office and the Accountant/Assistant Treasurer had abruptly resigned. Many financial reports on the office PC could not be recovered because they either were locked in by unknown passwords or had been deleted. Also, the County Commissioners had appropriated the Treasurer's and Retirement System's data processing hardware, software, and personnel.

Since the Treasurer is personally liable for the upkeep and maintenance of the County's financial records, and the Treasurer's and Retirement Board's financial records are the only thing stored in the computer mainframe, on January 2nd I asked the Commissioners to return oversight of the DP system and personnel to me. This was denied.

Also, as the DP Manager no longer reported to me in my capacity as Chairman of the Retirement Board, I authorized the Retirement System to cease paying 25% of his salary which the Retirement System had been paying when the DP Manager did report to the Treasurer. The County had to assume this additional cost.

Subsequently, on several occasions over the past twelve months, I called to the attention of both the Advisory Board and the Commissioners the wasteful use of County funds in maintaining an obsolete and inefficient DP Department. (The system is a 1979 model, and except for the payroll processing package, none of the software purchased in 1987 had been installed, updated, or in use). Further, I uncovered and told the Commissioners of the lack of security and the exposure to loss or damage the County's financial records have through the mismanagement of the DP Department accentuated by the severe security problems and a lack of programming capabilities. The Commissioners have refused to return oversight for the DP system to the Treasurer's office and they have done little to act upon or to correct these matters.

To carry out my legal mandate under Section 35 of the Mass. General Laws to maintain and protect the County's financial records, I have informed the Commissioners that if they fail to reinstate my superintendence, I intend to seek legal relief through the Courts and to ask them to restore to me control of my own DP system and files.

Since each county department (except the Treasurer's office) has its own stand-alone, in-house computer system, it is my hope that the Commissioners and Advisory Board will do the same for the Treasurer's Department. This can be done without additional cost to the County by permitting me to phase out the obsolete DP Department by November 1992 when the \$70,000 annual lease expires and the County can own the mainframe for \$1...which it can then sell. Eliminating the DP Department will result in future annual savings in the neighborhood of \$100,000 while adding a one-time cost of \$50,000 to the Treasurer's budget in FY 93 will enable me to purchase the necessary PC hardware and software to give this office its own stand-alone, in-house system.

On a more positive note, one of my first acts on taking office was to remove all of the County and Retirement Board funds then on deposit in Capitol Bank, Boston Trade Bank, and the Bank of New England. When these banks subsequently failed, not one penny of our funds was in jeopardy. Over the course of the year, funds have been removed from two other banks whose future continuance I question, and accounts have been set up with the Massachusetts Mutual Depository Trust and with three banks who are financially strong and appear to have no pending threat of insolvency. My Department regularly monitors the condition of these banks.

In February, I was able to hire a new Assistant Treasurer. It was necessary to wait nearly two months to fill this vital position because of the former Assistant's accumulated vacation and sick time. I was fortunate to find Barbara Vaughn, the former Treasurer of New Bedford and of Brewster. With Barbara's help, we were able to replicate most of the missing or inaccessible computerized financial data and spread sheets by July of 1991.

Also, between the two of us, we created new financial reports on our in-house PCs that enable me to supply the Commissioners with monthly cash flows and financial projections for future needs. We also convinced the Commissioners of the wisdom and need for using the services of a financial advisor from one of the major banks rather than operating on a "do-it-yourself" basis...especially for borrowing. The result: we expect to obtain RANs at some of the lowest rates in the Commonwealth.

In 1991, I recommended to the Commissioners that the County go on a bi-weekly pay schedule as is the State and many municipalities. This would have saved the County an estimated \$13,000 annually. The Commissioners initially approved this cost-saving action, but later rescinded their vote when pressured by a County employees' union.

I introduced a deferred compensation plan for the County employees in the Spring of 1991. Fortunately, this was in place when the IRS mandated that all public employees who were not members of a qualified retirement system must participate either in Social Security or a deferred compensation plan. By mandating that all affected County employees would participate in the Fებსco plan, the County saved an estimated \$50,000 to \$80,000 we would have had to pay out in matching SS payments.

Over the course of the year, I asked to meet with the governing bodies of all 28 communities. All but two towns in Norfolk County invited me to meet with their officials. For the City of Quincy and 25 towns, I have been privileged to meet with you and review many of the County services available to your constituents and to update you on County activities. It was most enlightening to discover that not one municipality was aware of all the services Norfolk County does offer. As a result of my visits, some new services suggested by you are under consideration by the Commissioners at this time. Personally, I found it rewarding to establish this one-on-one communication between local and County government and also that a number of municipalities have taken advantage this past year of County services that previously they didn't know were available.

I have also met with the Finance Committees of three towns to provide information to them on the Norfolk County pension system.

On the legislative front, I have authored and filed two bills which are on the docket for 1992. One bill calls for the reorganization of County Government to permit it to regionalize services for the cities and towns in each county. The other would give counties the same rights as have the cities and towns, namely: to borrow for a 12-month period that spans the end of a fiscal year; to permit counties to arrange for compensating bank balances to cover the costs of banking services.

Also, in company with other County Treasurers, I participated in the successful lobbying effort at the State House which defeated Senator Chase's bill calling for the elimination of County government. Had his bill passed and the size of State Government increased by assuming the management of county services, it would have cost the taxpayers of Norfolk County approximately \$10,000,000 and the Commonwealth as a whole over \$100,000,000. Incidentally, Senator Chase's bill will be coming up again during the 1992 legislative session.

I have been appointed by State Treasurer Malone to serve on the MMDT Advisory Board and also to serve on the Investment Committee of the PRIM Board. For the first time in six years, the County Treasurer, acting in my role as Chairman of the Norfolk County Retirement System, has a voice in the investment of the county pension funds.

As some of you may recall, prior to actually taking office, I had been under the impression that the Treasurer's job could be done on a part-time basis. While this may have been true in previous years, as you can gather from this report, I have been the full-time Norfolk County Treasurer since January 2, 1991.

A handwritten signature in dark ink, reading "Robert R. Fulk". The signature is written in a cursive style with a long horizontal line underneath it.

ANNUAL REPORT
OF
SERVICES PROVIDED
TO THE
TOWN OF PLAINVILLE

FOR THE YEAR ENDING JUNE 30
1991

PLAINVILLE

REPORT TO THE TOWN OF PLAINVILLE FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT

The Southeastern Regional Planning and Economic Development District continued to serve the Town of Plainville in 1991. SRPEDD (pronounced sir-ped) is a locally run regional agency serving southeastern Massachusetts. The year 1991 was a difficult one for all levels of government. In addition to cutbacks at the state and local levels, Southeastern Massachusetts experienced the worst recession in many years. At SRPEDD we found the demand increasing for regional solutions to state and local problems, but we also encountered fiscal and political obstacles to regional solutions.

In the past year, the Town of Plainville was represented on the SRPEDD commission by Andrea Soucy, Mark Coleman, Glenn Lyon and John Adams. The JTPG representative was Robert Hartnett and Ronald Fredrickson as alternate.

Some of the district's more significant accomplishments in 1991 were:

- Completion of the annual Transportation Improvement Program (TIP) and Overall Economic Development Program (OEDP) which set regional priorities on federal and state grants for transportation and economic development projects.
- Staffing of the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion. In 1991, SEED approved loans to 10 small businesses in the amount of \$1.1 million. These loans are projected to create 93 new jobs and will result in the investment of over \$3.1 million from private sources.
- SRPEDD reviewed the environmental impact of larger development projects in the region to insure that potential harmful impacts will be addressed. This year, we reviewed 32 such projects, commenting on the impact on traffic, water supply, sewage disposal, wetlands, and other development-related issues.
- Seven applications for federal and state funds were reviewed to insure consistency with other plans and efficient use of public funds.
- SRPEDD conducts a district-wide traffic counting program and maintains a computer file of all available traffic count data for the period 1980 to the present throughout the region.
- A regional industrial land plan was completed in 1991. The plan shows that despite plenty of land in the region zoned for industry, we do not have enough prepared industrial sites available for immediate development.
- SRPEDD sponsored a very successful conference on the topic of "Rethinking Government in the '90's" that offered innovative solutions to many of our problems.

COMMUNITY VISITING NURSE AGENCY, INC.
ATTLEBORO, MA 02703

- STAFF: Staff available thru Community Visiting Nurse Agency, Inc. include licensed nursing personnel, physical therapists, occupational therapists, speech therapists, medical social workers and home health aides. Normal staff visiting time is 8:30 a.m. to 9:00 p.m. 7 days per week. Emergency assistance is available 24 hours per day thru the Agency answering service and an on-call nurse. Two nurses are currently assigned to Board of Health work, with other staff available on an as-needed basis. CVNA employees are obligated to observe Agency policies and are covered under the Agency's professional liability.
- EQUIPMENT: CVNA jointly owns a cholesterol testing machine with two other agencies. In addition it also owns a glucose testing machine. Staff have been trained in the use of these machines as well as being provided with educational experiences to keep them abreast changes in the medical field.
- VACCINES: Vaccines are obtained once a month from Lakeville Hospital. They are provided at no charge by the state of Massachusetts. Vaccines are tracked and accounted for by dose.
- CHEST CLINIC Any Town resident having a positive mantoux test or who has a history of TB is referred by the CVNA nurse to the chest clinic at Sturdy Memorial Hospital. This clinic is held once a month and is funded by the state. CVNA provides whatever follow up is necessary for these individuals and also maintains a file on them.
- COMMUNICABLE DISEASE Follow up of all communicable diseases are reported to the Agency can sometime involve much phone contact between clients, physicians, boards of health, employers, local and state public health officials. Visits are made on a weekend or evening if needed.
- MATERNAL CHILD HEALTH Telephone contacts are made with new mothers and if necessary home visits are made to instruct in new born and post partum care.
- IMMUNIZATION: These are provided to any town resident as needed. Infants can receive their basic immunizations series from CVNA after receiving their first immunization from the pediatrician.
- HEALTH This is a very important area of service. As people are discharged from hospitals "sicker and quicker" and third party payers of all types are becoming more restrictive in home health care benefits, we find that we are discharging people sooner than we want to. With Board of Health funding, we can continue to monitor this person for an additional period of time until he/she is more stable. Through health promotion and teaching, we are able to service essentially well persons who need to learn and

Self Help, Inc., is greater Brockton's and Attleboro's anti-poverty agency dedicated to improving the quality of life of limited-income individuals and families, and making all segments of the community responsive to the needs of the limited-income, disadvantaged and minority.

During the program year ending September 30, 1991, Self Help received a total funding of \$10.9M and provided direct services to 41,485 limited-income households in the area.

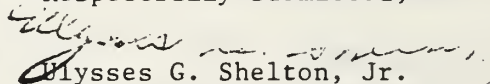

466 PLAINVILLE households received direct services totaling \$ 64,354 during the program year 1991.

The total funding of \$10,931,445 does not tell the real value of human services delivered to the area as a whole. Self Help's funding enabled us to mobilize an additional \$2,285,090 of other community resources, such as contributions from the towns and volunteers. The gross value of Self Help during the past program year was \$13,216,535.

Self Help currently employs approximately 175 individuals, many of whom are of limited income and minorities.

We feel that the program year 10/1/90 through 9/30/91 was a successful one for us and very helpful to our limited-income population. We thank the Boards of Selectmen, town volunteers and your representative to our Board of Directors, Mr. Frank Suk for helping to make our year a success.

Respectfully submitted,

Ulysses G. Shelton, Jr.
Executive Director

NORFOLK COUNTY MOSQUITO CONTROL PROJECT
Building #34 Endicott Street
Norwood, Massachusetts 02062
Telephone (617) 762-3681

December 20, 1991

Town of Plainville

1991 REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

The Operational Project Program integrates all proven technologies into a system of mosquito control that is rational, safe, effective, and economically feasible.

All mosquito eggs need water to hatch to sustain larval growth.

Source Reduction Work: Our primary efforts are concentrated on the drainage of shallow, standing, stagnant water, and the maintenance of existing flow systems which contribute to mosquito breeding sources.

Drainage Ditches Cleaned	2,574 feet
---------------------------------	-------------------

Larviciding: Treatment of mosquito larvae during aquatic development is the next most effective control effort.

Larvicide by backpack\briquets\mistblowers	121 acres
Catch basin larvicide application	259 count

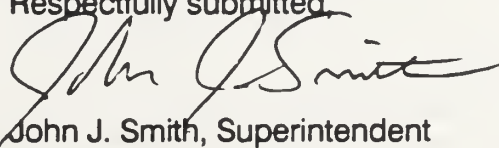

Adulticiding: The suppression of flying adult mosquitoes becomes necessary when they are numerous, annoying, or threatening to residents.

Adulticide with mistblowers	97 acres
Adulticide U.L.V. from trucks	7,488 acres

Surveys, inspections, and monitoring in support of our program include locating and mapping breeding areas, larval and adult collections, and field work evaluations leading to better drainage.

The Project received 15 calls from residents for information and assistance.

Respectfully submitted

John J. Smith, Superintendent

Thomas F. Doherty, Ph.D.

NORFOLK MENTAL HEALTH ASSOCIATION, INC.
10 Cottage Street
Norwood, MA 02062

The Norfolk Mental Health Association is a private non-profit corporation governed by a citizen Board of Directors who represent each of the twelve towns in its service area: Canton, Dedham, Foxboro, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham.

The major programs of the Norfolk Mental Health Association available to Plainville residents are:

CUTLER COUNSELING CENTER has a fully licensed staff of social workers, psychologists and psychiatrists bringing together a rich variety of skills and experience to provide a wide range of services to children, adolescents, and adults of all ages. In order to be most responsive to individual needs and community concerns, Cutler Center is organized into specialized programs offering services in the following areas: Intake and Emergency; Family and Children; Alcohol and Substance Abuse; Chronic Care; Psychiatry; Adult; Senior Care; Psychological Testing; Assertiveness Training; Separation and Divorce; and Families of Substance Abusers. In the Alcohol and Substance Abuse Program, a significant affiliation has been forged with NORCAP Center providing a most comprehensive approach to the treatment of substance abuse. Each program offers specialized groups and services, such as the Parent-Toddler Program, an educational and supportive experience for parents and their children from birth to age 3; and the Gym Program, a unique blend of counseling and physical activity for children between the ages of 5 and 15.

Other Programs include the Widowed Lifeline offering comfort, understanding, and friendship to men and women at any stage of widowhood; Project HIRE, a sheltered vocational rehabilitation facility for people with emotional, developmental or physical handicaps. Programs include diagnostic evaluations, electronic skill training, work adjustment training and counseling, sheltered, long-term employment, and transitional employment and job placement; Parent-Aide Program, offering trained and supervised volunteer aides who provide one-to-one help to clients in the community, families and individuals in crisis, victims of domestic violence, and parents at risk of abusing and neglecting their children; Community Education Programs: The staff of Cutler Center is available to provide talks, workshops and consultation on a wide variety of mental

health related topics. These services are available to community agencies, civic organizations, business and industry, schools and the court system. In addition, community education programs on such topics as stress management, assertiveness training and clinical issues are held periodically throughout the year.

Cutler Counseling Center currently has offices in Norwood and Wrentham with the Wrentham office providing the full range of services offered by the Norwood Office.

During Fiscal Year 1991, Cutler Counseling Center provided direct services to approximately 81 people from Plainville. The direct value of these services was \$40,170 of which the town of Plainville allocated \$4,626.

In the past year, people from Plainville who came to us for assistance were often referred by friends, neighbors, family, clergy, school, physicians, or community agencies. The most common requests for help concerned such problems as depression and anxiety, difficulties in marriage or family relations, school or behavior-related problems, and acute or chronic mental illness.

ABOUT CUTLER COUNSELING CENTER

Cutler Counseling Center, with offices in Norwood and Wrentham, has been providing prompt and professional outpatient mental health services to residents of South Norfolk County and surrounding areas for more than 20 years. Cutler Center serves residents of Canton, Dedham, Foxborough, Medfield, Millis, Norfolk, Norwood, Plainville, Sharon, Walpole, Westwood and Wrentham. A fully licensed staff of social workers, psychologists, and psychiatrists bring together a rich variety of skills and experience and provide a wide range of services to children, adolescents and adults of all ages. Personal concerns are kept confidential.

Quality care and accountability are assured through close staff collaboration and regular review of all services. Treatment is goal-directed and usually short-term. Fees are on a sliding scale and, in most cases, covered by health insurance and Medicaid. Cutler is open Monday through Thursday, 9 A.M. - 9 P.M. and Friday, 9 A.M. - 5 P.M.

In order to be most responsive to individual needs and community concerns, Cutler is organized into specialized services as listed below. To make a referral, schedule an appointment, or for more information, please call the appropriate Program Director at 762-6592 or 668-7880 except where otherwise noted.

INTAKE AND EMERGENCY SERVICES - Judith F. Kramer, LCSW

PSYCHIATRIC SERVICES - Nam-Soo Song, M.D.

FAMILY AND CHILDREN'S SERVICES - William Corley, Psy.D.

ADULT SERVICES - William Wechsler, LICSW

SENIOR CARE - Melanie Grossman, LICSW

ALCOHOL AND SUBSTANCE ABUSE PROGRAM (ASAP) - William Wechsler, LICSW

CONTINUING CARE - Larry Trust, MSW, LICSW

PSYCHOLOGICAL TESTING - Robert Pazulíneć, Ph.D.

COMMUNITY EDUCATION AND INFORMATION - Thomas F. Doherty, Ph.D. - 769-3120

CUTLER SOUTH - 384-7946 Robert Pazulíneć, Ph.D.

Cutler Counseling Center is a program of Norfolk Mental Health Association, Inc.

Rev. 9/89

Sponsored by Norfolk Mental Health Association, Inc. in partnership with Massachusetts Department of Mental Health
Serving: Canton, Dedham, Foxborough, Medfield, Millis, Needham, Newton, Norfolk, Norwood, Plainville, Sharon, Walpole.

ADULT SERVICES - William Wechsler, LICSW - 762-6592 or 668-7880

Adult services consist of a multi-disciplinary licensed team of experienced clinicians (social workers, psychologists, and psychiatrists) who evaluate and treat the whole spectrum of emotional concerns of adults and couples. These concerns may include depression, stress, marital discord, poor self-image, or any other difficulty that may interfere with work or family life.

Following a complete evaluation of presenting problems and family history, clients participate in developing their own treatment plan which may include individual, family, couple or group therapy. Treatment is usually goal-directed and short term (8-16 weeks), but clients may be seen for longer periods if needed.

Cutler offers a variety of groups which meet either for a specified period of time or are ongoing. Groups presently offered include stress management, assertiveness training, mid-life support, bereavement, young adults, and separation and divorce. The Widowed Lifeline offers comfort, understanding and friendship to men and women at any stage of widowhood. This active group meets every Tuesday evening from 7:30 - 9:30 P.M. at the Lifeline Lounge at Cutler Center.

SENIOR CARE - Melanie Grossman, LICSW - 762-6592 or 668-7880

Cutler Counseling Center has expanded its services to older people living at home with their families and in residential facilities such as nursing homes. Cutler's Senior Care provides comprehensive care on an outpatient basis, drawing on the expertise of a wide variety of skilled professionals experienced in serving this specialized group. Services include assessment and evaluation (including psychiatric and neurological), consultation and education, and individual, couple, family and group counseling. Services can be offered within the nursing home setting or within an elderly person's residence when medically verified.

Support groups are offered to older people and their families to help reduce the sense of loneliness and isolation that so often accompanies the later years. Additional services include family therapy for those families involved with caring for an elderly relative or friend. Senior Care also offers assistance to elderly persons who abuse alcohol or other substances.

Referrals to Senior Care can come from any source - individuals, families, physicians, clergy, elderly housing projects, nursing homes, and other health care providers.

ALCOHOL AND SUBSTANCE ABUSE PROGRAM (ASAP) - William Wechsler, LICSW - 762-6592 or 668-7880

The Alcohol and Substance Abuse Program (ASAP) currently offers comprehensive services for the treatment of alcohol and drug use/abuse to individuals and families, groups, and business and industry, assessing the extent and patterns of alcohol and substance abuse, the level of dependence, the impact on the family and on-the-job functioning, and determining the best course of treatment.

The staff of ASAP currently consists of six therapists fully trained in the diagnosis and treatment of alcoholism and substance abuse. All have received advanced degrees from accredited institutions and have a wide range of experience treating substance-abusing individuals and their families.

Fees for alcohol related problems are partially subsidized by the Massachusetts Department of Public Health, Division of Alcoholism, after all other payment possibilities are exhausted.

CONTINUING CARE - Larry Trust, LICSW -762-6592 or 668-7880

The Continuing Care Program of Cutler Counseling Center serves individuals who are disabled by severe mental illnesses such as schizophrenia or prolonged depression and persons who have experienced dependency, isolation, non-productivity, and psychiatric problems over a period of several years. The Program's goal is to help such individuals lead fuller and more productive lives in the community by developing improved physical, intellectual and emotional skills, and by increasing available supports. This is accomplished through individual, group and family therapy, psychiatric consultation, case coordination. In addition, the Continuing Care Program offers an educational/support group for adult relatives of individuals suffering from major mental illness.

PSYCHOLOGICAL TESTING - Robert Pazulinec, Ph.D. - 762-6592 or 668-7880

This service is designed to provide psycho-educational assessments for school systems, physicians, the court system, private practitioners, and agencies such as the Department of Social Services (DSS), the Department of Youth Services (DYS), and the Department of Mental Health (DMH). In addition, parents concerned about their child's achievement potential or who want to pinpoint sources of behavioral problems may also wish to pursue psychological testing.

Robert Pazulinec, a staff psychologist who heads up the program, is available to meet with the referring person to insure that the service can answer the referral questions. He will offer the help needed to track an evaluation from referral to completion, including prompt return of all written reports.

Psychological evaluations can be useful in reviewing current levels of functioning and determining what can be expected educationally in the future. Based on the results of personality testing, specific treatment recommendations will be made. (The service also offers neuro-psychological evaluations when the referral questions require more in-depth study.)

COMMUNITY EDUCATION AND INFORMATION - Thomas F. Doherty, Ph.D. - 769-3120

Because the staff of Cutler Counseling Center firmly believes that education can prevent serious problems before they develop, they are available to provide talks, workshops, and consultation on a wide variety of mental health related topics. These services are available to community agencies, civic organizations, business and industry, school and the court system. In addition, community education programs on such topics as stress management, assertiveness training, and understanding teenagers are held periodically throughout the year.

Cutler also offers training programs for other mental health professionals (e.g., social workers and nurses) who are eligible for Continuing Education Hours. Such programs can be customized for a particular organization and be presented on site.

CUTLER COUNSELING CENTER SERVICES

INTAKE AND EMERGENCY SERVICES - Judith F. Kramer, LCSW - 762-6592 or 668-7880

New and reentering clients of Cutler Counseling Center are first seen through Intake and Emergency Services. Brief screening takes place on the initial phone call to determine if Cutler can provide the appropriate help. If so, the client is then scheduled for the first available appointment that is convenient for him or her. This appointment usually lasts an hour and provides the basis for assigning a counselor who can best meet the client's needs. People who are in emergency or crisis situations will be seen immediately.

Intake and Emergency Services also provide information and referral. If Cutler can't help with the problem, every effort will be made to find someone who can. Those with concerns about whether they, a friend or loved one need therapy are also encouraged to call. Intake appointments are generally scheduled from 9 A.M. - 5 P.M. Limited evening time is available for those who are unable to come in during the day.

PSYCHIATRIC SERVICES - Nam-Soo Song, M.D. - 762-6592 or 668-7880

The Psychiatric Department is currently staffed by four board-certified psychiatrists who are licensed in Massachusetts. They provide diagnostic assessments, develop treatment plans, supervise clinical staff, and reevaluate all clients on a monthly basis. They also provide psychopharmacological assessments and reevaluation, initiate hospitalization and commitment procedures when necessary, and serve as members of the utilization review/quality assurance programs.

Clients are referred to a psychiatrist as needed during the intake and treatment process. Those clients receiving medication must also participate in ongoing therapy through another department. Psychiatrists work closely with all professional staff and actively participate in team meetings of every service.

FAMILY AND CHILDREN'S SERVICES - William Corley, Psy.D. - 762-6592 or 668-7880

Family and Children's Services provide quality care to children and adolescents who are having some difficulty getting along with their families, their friends, or in school. Working with the family is emphasized and individual, couple, group and family therapy are offered, generally on a short-term basis.

A highly experienced professional staff works closely with school systems and other community agencies and provides consultation. Groups are currently offered for depressed teenagers, children whose parents are separated or divorced, children from homes where alcohol is a problem, children who need to improve social skills, and single parents.

Family and Children's Services also sponsors the Parent Toddler Program, an educational and supportive experience for parents and their children from birth to age three, and the Gym Program, a unique blend of counseling and physical activity for boys and girls with social and emotional problems who are between the ages of five and fifteen.

CUTLER SOUTH - 384-7946 Robert Pazulinec, Ph.D.

Cutler South in Wrentham, a branch of Cutler Counseling Center in Norwood, recently was licensed by the Department of Public Health as a full-fledged satellite clinic. Conveniently located in the Galvin Professional Building in Wrentham Center on Route 1A, Cutler South provides easy access to residents of Wrentham, Foxboro, Norfolk and Plainville as well as the neighboring towns of Walpole, Sharon, Millis and Medfield.

Cutler South offers a wide variety of outpatient mental health services to children and adults of all ages. Services include marital, family, and individual therapy, stress management, treatment of alcohol and drug problems, continuing care following hospitalization, medical evaluations, and community education. The professional staff of Cutler South combines skill and experience in working with a broad range of personal and family problems.

**THE SOUTH NORFOLK COUNTY
ASSOCIATION FOR RETARDED CITIZENS, INC.**

**SERVICES TO PLAINVILLE RESIDENTS PROVIDED DIRECTLY BY THE
ASSOCIATION :**

Family Support and Advocacy:

The Association provides specialized education, information and referral service, as well as social support; plus legal, financial and other consultation support. This program also provides self-advocacy training to individuals, and advocacy support to families with members who are handicapped by mental retardation.

Community-Based Respite Care:

The Association provides temporary in-home or out-of-home professional care and training for mentally retarded children and adults on a planned or emergency basis. It also operates an after-school and Saturday program for mentally retarded children.

Social-Recreational Programs:

The Association provides special after-school and evening educational classes, sports activities, social clubs and events, and special summer programs for individuals with mental retardation. A principle component of these programs is one-to-one volunteer friendships (citizen advocacy). The Association provides transportation services to several of these activities.

**II. THESE SERVICES TO PLAINVILLE RESIDENTS, PROVIDED THROUGH
LIFEWORKS, ARE SUPPORTED BY THE ASSOCIATION:**

Vocational Training and Job Placement Programs:

Through LIFEWORKS EMPLOYMENT SERVICES, the Association supports vocational rehabilitation for mentally retarded persons age 18 and over. These services include vocational evaluation, work adjustment training, sheltered employment, transitional or supported employment and competitive job placement and follow-up support.

Day Habilitation/Prevocational Programs:

Through LIFEWORKS DAY HABILITATION CENTER, the Association supports educational, therapeutic and prevocational training for severely and multiply handicapped adults age 18 and over. The educational and therapeutic programming focuses on communication skills, physical development, domestic and community living skills, social skills and self-care skills. The prevocational training includes physical and occupational therapy and hands-on work experience.

Residential Programs:

Through LIFEWORKS RESIDENTIAL PROGRAMS, the Association supports home-like environments with supervision and training in independent living skills, functional academics and social skills. These programs include community residences and supervised apartments (both with 24-hour staffing) and cooperative apartments (with staff assistance less than 24 hours per day).

SERVICES TO PLAINVILLE RESIDENTS PROVIDED DIRECTLY BY THE ASSOCIATION :

TOWN DEPARTMENTS TELEPHONE NUMBERS

When calling into the Town Office you will be greeted by a recording explaining what to do. In order to use this system you must have a Touch-Tone Phone not just a push button phone. Also if you have a rotary phone you must wait until the recording is finished and it will go directly to the operator who can connect you to the extension that you want. For those that have a Touch-Tone Phone, press 1 then the extension number. For example, if you wanted the Selectmen's Office, press 1, then 4 which is their extension.
